Re: 10000.

Re: Part S.W. 1/4 6-11-20-4,

I am sending you herewith a letter  
just handed to me by Mr. J. W. Stafford, who is  
taking delivery of the additional natural resources  
records for the Provinces.

As the agreements have not been signed  
it will not be possible to deliver this file, but I  
think we could lend it the same as we did certain  
other files. Will you please arrange accordingly.

*H. H. Rowatt*  
Deputy Minister.

Ottawa, September 1st, 1931.

Dear Mr. Rowatt,-

Re: Part SW 6-11-26-4,  
lying south and west  
of creek.

On the 18th ultimo I forwarded a request to Mr. Hume to the effect that the province of Alberta was desirous of immediately obtaining the file relating to the above parcel of land, which, I understand, is reserved in connection with "Better Water Supply".

The file number is 887257, which file also relates to that portion of the quarter section lying north and east of Willow Creek, - a Time Sale in the name of William A. Blair.

This sale was paid for in full on the 30th August, 1930, but Letters Patent have not as yet issued and Mr. Blair is pressing for the issue of Patent.

The province of Alberta are required to issue the patent in this case, and I should therefore be pleased if I could have immediate delivery of the file, signing the required receipt for same; or, if this cannot be done pending the return of the agreement from the province concerning the transfer of records, I should be glad to have the loan of the file to forward to the Department of Lands and Mines at Edmonton.

Yours sincerely,

Agent.

1. The first group of authors (e.g., [1, 2]) has shown that the use of a single, common, non-orthogonal basis for all the functions in the set is not optimal. The authors have proposed the use of a set of orthogonal basis functions for each function in the set. This approach has been shown to be superior to the use of a single, common, non-orthogonal basis for all the functions in the set.

CALGARY, N.W.T.

14th February. 1905

Sir,

The Right of Way Agent of the Canadian Pacific Railway Company has tendered for filing at this Office a plan of a parcel of land which I understand the Company propose to purchase from the Government for the purpose of a ballast pit. This parcel is part of the S.W. 1/4 of Section 15, Township 15, Range 14, 3. of the 4th Meridian.

The plan appears to be intended to be filed under the Land Titles Act, but there is no provision in that Act for filing such a plan unless attached to an instrument of transfer or the like.

Nor is it such a plan as is required to be filed under the provisions of the Railway Act.

I am mentioning these facts as I understand that the Department have asked to have ~~to have~~ certified copies of the plan, after it has been filed or registered here.

If the Company were dealing with a private individual, who wished to identify the parcel by plan, he would have it prepared as this one is, and attach it to the transfer to be registered. There does not appear to be any reason that I am aware of why a similar course should not be adopted in this case, viz., attaching the plan to the Crown Grant, as has been frequently done in other cases.

A reason for writing at this time is that I told the Right of Way Agent that I would explain to the Department the obstacle to carrying out their request for certified copies of a plan registered at this Office under conditions as are above referred to.

Your obedient servant,

*H. S. Smith*  
Registrar.

## Department of the Interior,

DOMINION LANDS AND CROWN TIMBER OFFICE,

Edmonton, April 16th, 09. 19

Sir,

I beg to inform you that on the 4th of March, Mr. J. W. McLaggan, Forest Ranger, filed an application for inspection in the Edmonton Office against the S. E.  $\frac{1}{4}$  of 10-54-20 W. 4th., which is held as a homestead by Mr. Thomas Magee. This gentleman has filed a defence to the application made by Mr. McLaggan, stating that he has a log stable, 10 x 18, of the value of \$40.00. This stable, however, is of no real value. He also states he has nine acres of breaking, which has never been cropped. The entrant in this case has held the land for some four years, and as there have been previous applications for inspection, and his entry has been protected from time to time, I would recommend that cancellation process taken place immediately after the 13th of the coming month, which is the time limit.

I would respectfully ask that you see that Head Office keeps in touch with this matter, and that the Edmonton Office is notified at the expiration of the sixty days to cancel this entry.

Your obedient servant,

J. A. Barnerman,

Inspector.

R. H. Campbell, Esq.,  
Sup't of Forestry,

REPLY TO MR. GRAY

F. 1/4 of the S. 1/4-4-11-29-W. 1/4th M.  
Reserved for stock watering purposes.  
Order-in-Council 23rd January, 1896.  
Application of Percy Gray to purchase.

Mr. Gray stated that it was only after he had entered for his homestead the F. 1/4 of this quarter section, that he found the parcel applied for was a water right, and asked that, as all the surrounding land had been entered for, he might have the remainder of the quarter section which is of no further use for the purpose for which it was reserved.

Your decision was that the land was not available. (Mr. Glendon's memorandum of the 30th January 1897, marked).

The following representations were subsequently made in support of Mr. Gray's application in the extract from a memorandum attached to this file :- "He is very much hurried in for want of land, being restricted to 80 acres, and he finds it impossible to make a living on this amount of land. The water reserve is of no use to any one now, and I thought probably the Department, under the circumstances, would consider a sale of this water right to him out of the ordinary way; i.e., allowing him to purchase it without it being put up to public auction. I got Mr. Oliver to do this in connection with several other water rights which materially affected the adjacent settlers."

J. V. Greerway, Esq.,

Commissioner of Dominion Lands.

The writer

The writer also recommends<sup>d</sup> that a Homestead Inspector's report be ordered, and the then acting Commissioner asked in his memorandum of the 20th March last, (marked), that this action be taken.

Mr. Homestead Inspector Link now states that he found the half quarter section to be of no further use as a stock watering reserve "as owing to the fencing the same was inaccessible"; also "From neighbors in the vicinity I was informed that there was an abundance of water throughout this locality and from my own observation I am of the opinion that this is correct."

When your decision was conveyed to Mr. [redacted] it was pointed out to him that, in the event of reservations of this nature being withdrawn, the invariable practice of the Department was to dispose of the land by public competition.

Under all the circumstances of the case there is no question whatever but that Mr. Nelson should be called upon to remove the fence not only from the road allowance but from the East half of the South East quarter of Section 4 and he should be required to comply within a limited time.

-1-

As regards the disposal of the eighty acres in question - this is a matter of policy. Being a cancelled stock watering reserve, I presume the opinion of the Deputy Minister, referred to by Mr. Tamm in his memorandum of the 1st March last, would be to stand. The Reclamation Service has reported that the land is not required in the interests of better water supply.

Whereas the land in the true sense is not a fractional area, constituting as it does two complete subdivisions, presumably the Department is not in a position to consider the application to purchase of Mr. Tamm. Situated in Area "A", the land is only available for grazing under the grazing regulations provided for by the Deputy Minister regarding a sale of public lands. It is applied in this case.

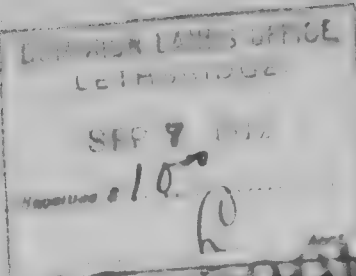

Sketch attached herewith.

Secretary of the  
Department of the Interior,  
Ottawa, Ontario

Dear Sir:

Re S. F. 1-11034-17-4

While not originally consulted herein, Mr. Balkow, who was appointed to a limited administration, subsequently consulted us with a view to having the homestead entry for the above homestead properly protected. Some correspondence has ensued between this office and your department in connection with the matter.

Mr. Balkow, who lives some distance from Edmonton, has now come in and explained the situation, which is outlined in the attached Declaration of Homestead. It appears that for some reason of which we are unaware, Mr. Balkow's authority was limited by the letters of administration and that consequently he was prevented from giving that attention to the matter which he otherwise would have been glad to give, as it was his desire to help his step-daughter. She apparently was left in a precarious condition and was herself unable to complete the homestead duties. Between

3201831

Secretary, Dept. Interior

the limited authority granted Mr. Halkow and this precarious condition of his step-daughter, matters have framed.

Mr. Halkow has received information indicating that the buildings have been maliciously destroyed by fire for the purpose of making the surreptitious entry of the Western entry possible. He has communicated with his step-daughter, who lives at a distance from him and from Edmonton, with a view to having her provide the funds herself wherever to replace the improvements and re-instate the homestead entry. He states that now that the case is settled, it will be possible for her to do this in the course and to obtain the entry, which her husband had profitably earned at the time of his death.

We are therefore desirous that the matter be allowed to stand in regard of our getting into communication with Mrs. Berensson, so that the necessary steps may be taken.

Very truly,

JOHN JOHN HINKER HINKER FIELD

IN THE LATTER OF THE SEVEN EAST QUARTER  
OF SECTION TWENTY FOUR (24), TOWNSHIP FIFTY  
EIGHT (58), RANGE SIXTY-TWO (12) West of  
the Fourth Meridian in the Province of Al-  
berta and the homestead entry originally  
made by Petro Szal.

I, Iwan Sulgow, of Western in the Province of Alberta,  
farmer, do solemnly declare:

1. That Petro Szal in his lifetime entered the above  
mentioned land as a homestead.
2. That the said Petro Szal married my step-daughter, Josefa  
Elena, but thereafter died on or about the 2nd day of June,  
1909, leaving the said Josefa at about the age of thirteen  
years at the time of his death and a limited administration  
was granted to me on or about the 4th day of October, 1909.
3. That the property of the deceased at the time of his  
death consisted principally of the above-mentioned homestead above  
mentioned, a team of horses, harness and wagon and two cows.
4. That upon the death of the said Petro Szal his father  
took the horses, harness, wagon and poultry, leaving the  
widow with two cows, one of which she sold for the purpose of  
paying funeral expenses, and the said step-daughter then re-  
turned to me to take her home with me.
5. That at the time of his death the said Petro Szal had  
improved the said homestead as follows: a log house and log  
stable not completely finished, of a total value of \$200.00,  
and twenty-two acres arable and under crop; previously, he had  
fenced two sides of the said land, but such fence was burned  
down.

6. That I myself did what I could for the said widow and towards completing the improvements upon the said land, but about a year ago the house and stable were burned down, and I have reason to believe that the same were burned by some person who desired to cancel the homestead entry accruing to the benefit of the said Josefa Elena, and for the purpose of obtaining the cancellation of her rights and an entry for himself.

7. That the said Josefa Elena has married the said person and that by reason of the fact that the said administration was limited to the person of age of the said Josefa, I have not latterly taken any active steps in the matter of completing the improvements upon the said land, but have requested the said Josefa to herself take administration and complete the improvements on the said land and to do such other things as shall be necessary; that the said Josefa is once more in a position to do or procure to be done the necessary improvements.

8. That I request the assistance of the Department of the Interior for the purpose of permitting the said Josefa to complete her duties and secure her patent in due course.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and of virtue of the Canada Oath-taking Act.

MEMORANDUM

Mr. Munro.

Application for patent for the  
S.S. 24-58-17-V.4th N. No. 10254  
of Petro Izal, deceased. Date of  
entry 14th September, 1905.

The application for Letters Patent,  
which is supported by Letters of Administration of the  
estate show the duties completed in a satisfactory  
manner.

The widow of the deceased entrant is  
the Administratrix and has responded. She has made  
application for Letters Patent in her remarried name  
Josepha Byryzoneski and in answer to question six of  
the application states that "I lived with my husband  
Petro Izal on the homestead from date of marriage  
until he died". This statement apparently identifies  
her as the person appointed Administratrix of the  
estate. In the name of Josefa Elena Izal Mrs.  
Byryzoneski has furnished a sworn statement on form  
159 giving the correct spelling of her name as Josepha  
Byryzoneski.

As the evidence furnished in support  
of the application for patent is apparently proper  
form and shows the duties complete in accordance with  
the regulations I would recommend the approval of the  
application for patent.

M.M.

23rd July, 1919.

MEMORANDUM.  
-----

Mr. Ryan.  
-----

There appears to be no doubt that Mrs. Jusefa Elena Szal and Mrs. Byryzoneski are one and the same person.

Attachment 3262675 is a declaration from Iwan Halkow in which he sets out that his daughter, Jusefa Elena, married the late entrant and that after his death she was remarried to Nikolai Berezowska.

The widow evidently remarried prior to the 10th of November 1914, but Letters of Administration were taken out on the 31st of May 1916 in the name of Jusefa Elena Szal.

The Acting Law Clerk in a similar case ruled that this discrepancy should not effect the action of the Department. File 3189425.

Notwithstanding Mrs. Byryzowski's declaration of the 5th of June 1919, it would seem that her full name is Jusefa Elena Byryzowski, this being the name given in the Letters of Administration.

As the duties appear to be properly completed, the application may be approved.

With reference to your letter of the 28th ultimo and a copy of my letter of the 9th instant, the latter addressed to the Registrar of Lands, Ottawa, concerning your alleged naturalization, I have to inform you that with the aid of the Registrar of Lands, I have found a record of naturalization which may have reference to your case.

The record reads that J. Zwenka, a farmer, of Rosklok, Alberta, of former Austrian nationality, was naturalized through the Supreme Court, Edmonton, Alberta, on the 22nd September, 1911. It may be that Dzivenka is a variation in the spelling of Zwenka and if you are in a position to confirm this, it may be possible that it will be accepted by the officials of the R.C.A.F. in connection with the proposed enlistment of your son.

This letter is being forwarded to you in duplicate for whatever purpose it may be required.

E. J. Fren, Esq.,  
Chairman, Seed Grain Relief Subject No. 10, 11,  
Edmonton, Alberta.

Dear Sir:

Re: E. L. Jackson - Viking  
N.W. 1/4 34-47-13-W. 4th  
Seed Grain & Joint Relief Indebtedness  
Municipal District of Invergreen #445.

This party obtained the following advances from this Municipal District:

|                                |                        |
|--------------------------------|------------------------|
| Seed Grain, March 17, 1919     | \$184.60               |
| Joint Relief, November 1, 1920 | <u>331.95</u> \$447.85 |

Various repayments were made by the debtor in the sum of \$186.34, leaving a balance outstanding as at December 31st, 1934 as follows:

|                        |                                 |
|------------------------|---------------------------------|
| Seed Grain Principal   | \$184.60                        |
| Interest               | <u>173.61</u> \$325.91          |
| Joint Relief Principal | \$313.61                        |
| Interest               | <u>179.82</u> \$443.42 \$818.94 |

As security for both these advances liens were registered on title to the above described property and constitute the only charge thereon.

The district has consistently contended that this account might be considered as inactive owing to the fact that the debt is now statute barred as between Jackson and the Municipality, and furthermore he is in great difficulty being a widower living with a son, and in very poor health both mentally and physically.

We could not see our way clear to recommend an unconditional write off of this account owing to the status of the securities, and so advised the Municipality, which has now tendered the sum of

E. J. Fream, Esq.

\$300.00 in full settlement, pointing out that the chances of recovering any of this amount from the debtor is very, very slight.

As will be seen the sum now offered, together with previous payments, is approximately equal to the original advances, and having in mind the compromise settlements accorded to other settlers and Municipal Units, I would recommend that the offer be accepted.

I would further recommend that the sum be distributed pro rata, Seed Grain to receive credit for \$119.24, and Joint Relief \$180.76, and that after application of these amounts to this account the undermentioned balance of principal, together with any interest which may have accrued be written off, both insofar as it affects the indebtedness of H. A. Jackson to the Municipal District of Iron Creek #45, and the indebtedness of that district to the Provincial Government.

Memorandum.

Mr. James A. Sutton encloses with his letter of the 2nd instant a statement made by him on the usual form relative to his claim to the N.W. 1/4 of 30-56--2, T. 5th M. He represents in this statement that he took possession of the land in April last and built his house thereon and lived on the claim during that month and the month of May; also that he has never had a homestead entry.

He states in his letter above referred to that he would like an extension of time within which to fulfil his homestead duties, "so that he can make a little money to "start with."

The land applied for is vacant in the records of the Department, and is not railway land. The plan of survey has not been received, but the survey is under contract. There is no record of a statutory declaration having been made before the surveyor by Mr. Sutton.

The Secretary,

Department of the Interior,

H.P.J.

ref. 889632

Department of the Interior,

Ottawa, 22nd September, 1905.

MEMORANDUM:-

Mr. James A. Sutton enclosed a statement made by him as to his residence and improvements on the N.W. 1/4 of Section 31, Township 16, Range 2, west 8th meridian; and was advised that his claim to homestead entry for this parcel could not ~~now~~<sup>then</sup> be dealt with as the sub-division survey of this township had not yet been made; also that he should make a usual statutory declaration of occupation when the surveyor sub-divided the township.

The Agent of Dominion Lands at Edmonton now encloses a statutory declaration made by Mr. Sutton, in which he sets forth that he began actual residence on the land on the 27th June, 1903, and resided from that date to August 10th of the same year; from March 15th to May 1st, 1904, and from November 12th, 1904 to May 1st, 1905, with his father on Section 31-32-2; also that he has a house valued at \$400.00 and 25 acres fenced, the value of which is \$100.00. He states further that he was in British Columbia when the surveyor surveyed the above land, and was, in consequence, not able to make a declaration before him; also: "My father is a cripple and I have to support him and the family. This makes it necessary to be away parts of every year to get funds to enable us to hold the claim."

The parcel in question is not railway land; and as the survey was made in 1904, and the applicant alleges that he began residence in June, 1903, I think that he should be granted entry for the land.

1

T. R. Burpee, Esq.,

Deputy-Commissioner of Dominion Lands.

I observe that Mr. Cotton describes the land in his declaration as being the N.W. 1/4 of Section 31, Township 36, Range I, but this description has evidently been given in error.

MEMORANDUM:-

W. 1. 31-50-1 R. 5th E.

James A. Sutton has improved this land thinking he held it as a homestead, but it appears that his entry was granted for the corresponding land in Range 2.

Mr. Sutton first wrote in 1894, and he then described the land as being in Range 2.

In August, 1895, Mr. Sutton again made application for homestead entry and this time he described the land correctly as being in Range 1, but as he had previously written about Range 2, it was considered that he meant to apply for the land in Range 2, and he was granted entry accordingly.

The Homestead Inspector now reports that Mr. Sutton has resided with his father on adjacent land since making entry and he has on the W. 1. 31-50-1, East 5th E., the following improvements:-

House \$500.00  
Stable \$125.00  
Fencing \$140.00  
Well \$40.00  
Eighteen acres breaking valued at \$216.00.

Under the circumstances, do you not think this entry should be transferred from of charge as Mr. Sutton's declaration (60762 on 662632) describes the land correctly.

Mr. Sutton recently applied for patent and his application described the land as being in Range 1, which is the land he has occupied and improved.

As this did not correspond with his entry, it was considered that a mistake had been made in describing the land, but it appears that the application for patent was correct in giving Range 1.

The application has been returned to the Agent and I will write him and ask him to send it back for action, but before doing so, I would call your attention to the fact that according to the form on this file marked, Mr. Sutton claims

F. FitzRoy Dixon, Esq.,  
Assistant Deputy Commissioner,  
Department of the Interior.

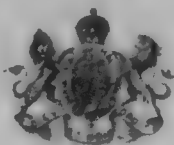

F.F.D.2

claims sixty acres of breaking on the land in question whereas the Inspector's report gives credit for eighteen. Even taking the latter figure as correct it would seem that the improvements as given by the Inspector's report are sufficient. Will you require a supplementary statement about the area of the breaking?

Respectfully submitted,

Sir,

Referring to your application for patent for the N.E. 1/4 of Section 31, Township 22, Range 1, East of the 3rd Meridian, I beg to say that a report has not been received from an Officer of this Department from which it appears that you have improved the above mentioned land, but by mistake your entry was made for the corresponding land in Range 2.

In view of the facts as disclosed by the correspondence it has been decided to instruct the Agent of Dominion Lands at Edmonton to transfer your entry to the N.E. 1/4 of Section 31, Township 22, Range 1, East of the 3rd Meridian free of charge.

Your application for patent may now be dealt with, but I would point out that according to the papers on file here you claim a total of sixty acres of breaking, whereas the report of the Homestead Inspector only gives you credit for eighteen acres of breaking which were cleared in 1897 and 1898. Some explanation of this difference is necessary before the application for patent can be accepted. Please furnish any

Sir,

Referring to your letters of the 4th instant, Files 26358 & 52930, I am to inform you that there seems to be some misapprehension regarding the N.W. 1/4 of Section 30, Township 11, Range 29, West Fourth Meridian, and the N.E. 1/4 of Section 25, Township 11, Range 30, West Fourth Meridian. The facts are as follows:-

during a visit to Ottawa last December of Mr. W.H. Stewart, now deceased, it was decided by Mr. Turfitt to allow him to purchase the quarter-section first above mentioned, at the current rate of \$6 per acre, on the usual terms of payment, and also the N.E. 1/4 of Section 25, Township 10, Range 30, West Fourth Meridian, Mr. Frank Fair having failed to take advantage of the privilege he had been given of acquiring this quarter-section. A copy of the letter to Mr. Fair dated the 1st of December last, which you received, was sent by mistake, the original having been cancelled, and, of course, this is to be considered as not having been written.

The Commissioner has now decided that the heirs of Mr. Stewart are to be permitted to take advantage of the offer made to him, if they wish to do so, and it will be well for you to notify them to this effect and inform them that the required payment must be made to you on or before the 1st of April next. The application of Mr. P. Fair to Homestead the N. W.  $\frac{1}{4}$  of Section 30, cannot, of course, be entertained at the present time,

Sir,

I wish to apply for the purchase of SE  $\frac{1}{4}$  16.283 s<sup>th</sup> if it be possible to buy. The quarter section in question is in a corner of my land which comprises ~~E~~<sup>E</sup>  $\frac{1}{2}$  17, the remaining  $\frac{3}{4}$  of 16, the whole of 9 & the W  $\frac{1}{2}$  of 15.  $\frac{3}{4}$  of 10 is also taken up, so that you will see that the acquisition of SE  $\frac{1}{4}$  of 16 would be of great advantage to me, whereas being entirely surrounded, it is not of very much value to anyone else. The quarter adjoins my homesteaded, which I have a patent for, and I require it now for the purpose of rounding off my property. I have left open on the Beaver Dam creek a never-failing supply of running water, which never freezes, & is accessible at all times to stock on the range. This I would be willing to

make over to the government  
on consideration of their selling  
me the land I require.

Yours truly

R F Bevan.

Sir:-

I beg to acknowledge the receipt of your letter of the 6th July, 1911, your file no. 891,026 ~~700~~, in connection with the West half of Section 14, Township 9, Range 2, West of the 5th Meridian, which is a stock-watering reserve, and in reply beg to state that an inspection has been made of this half section and I found that all the land round about was being farmed and fenced and the country round about is no longer an open range one. I am of the opinion that this half section is no longer needed for the purposes for which it was set aside and I would recommend that it be placed on the list of cancelled stock-watering reserves.

In reference to the application of Mr. John Bare who has made application to purchase this half section as to whether he has any special ground for special consideration in connection with this piece of land and in reply beg to say that Mr. Bare holds the North East quarter of Section 14 as a homestead, and he and his sons are the owners of quite a number of horses and cattle and owing to there being very little open range in this district he doubtless wishes to acquire this half section as a pasture for his stock. I understand that the neighbors round about appear to have no serious objection to Mr. Bare being allowed to purchase this land but I am unable to see that he has any special grounds for consideration. If this land is at any time put up for sale it would appear to me that Mr. Bare would have as good an opportunity to acquire same as any one else, and should his neighbors not wish to acquire same would not make any bid on the same. This half section would admit of the ordinary homestead duties being performed although the land in places

File No. 3-2567.

Office of the Chairman

OTTAWA - MAY 6 1930

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: F.S.C. Lynch-Staunton,  
S.W. 14-9-2 W.5th Mer. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 26th April, 1921, the settler secured advances from the Board totalling \$5175.00, as follows: land, \$4320.00; stock and equipment, \$855.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the E. 23-6-1 W.5th, which the settler is purchasing from the Board under agreement for sale.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 7th March, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the S.W. 14-9-2 W.5th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Memorandum

Mr. Perrin

Re - S.F. 5-11-2-44.  
S.F. 5-11-2-44.  
A.T. Werts.

This case has received the investigation and recommendation of the District Board of Alberta. The indebtedness consists of an advance of seed grain made by this Department to A.T. Werts in 1915 in the extent of \$117.25 on which the amount due is on record. This was repaid in 1927. It is recommended that a charge be made to the S.F. 5-11-2-44 account for the variation, and it is recommended that the description be changed to S.F. 5-11-2-44.

It is recommended that the credit be made to the S.F. 5-11-2-44 account for the amount of \$117.25. In addition to which there are charges for interest, insurance, etc., totaling \$100.00. The sale price of this grain has been established through valuation at \$100.00. The Committee, therefore, recommends that the indebtedness be written off in so far as this matter is concerned as the grain released.

In connection with the grain sold 5, the Committee's recommendation is recommended that no portion whatever of the grain be held against the case as it would only enter future entry.

Mr. Torrey also states that Werts received advances to the District of Bow Island No. 64, for relief amounted to \$77.01, which with interest to December 31st, 1927, possibly of future collection from the estate, that the amount due therefor be written off. This I presume applies also to the 1915 balance.

I presume it will be in order to prepare the necessary memorandum to Council.

Recommendation

Harvey T. [Signature]  
[Signature]

 " the goods of the Company in May 1880, and that Craig  
 " wished him to seize those very improvements, as if they  
 " were the goods of the Company and offer them for sale  
 " under that execution. Stevens makes a second affidavit  
 " and swears on page 90 that the improvements were done

" Let us also call your attention to Mr. Wolfe's

 " a considerable portion of this homestead with a large  
 " tract of other land was enclosed in the early part of  
 " 1884 at the expense of the Company, and the whole of it

Difficulties arose between Craig and the Company which finally led to still greater trouble in the month of July 1885 (See Pinhorne's affidavit Page 12) Pinhorne says that in the month of October 1885 Craig in passing his accounts claimed for certain expenditures laid out upon these buildings claimed by him, and these expenditures were allowed him (See foot of page 12) Craig says on page 16 and 17 that the Company's funds were used to a certain extent in erecting these buildings. Mr. Hill in his affidavit absolutely denies the agreement alleged by Craig, and says that the buildings were intended for the Manager of the Rancho and not otherwise and that Craig advised the purchase of the St. Clair lease in order to protect these buildings (See page 23) Amongst the buildings claimed by Craig is a stone stable near the house (See letter foot of page 48) and he again refers to this stable in a letter on page 49 in his last reference to it on that page he states plainly that he is simply telling Mr. Hill as Manager, that he their servant is putting up a stable for them in the manner therein set forth. Mr. Hill says in his affidavit on page 25 that all these buildings were put up at the expense of the Company. Mr. Hill says on page 35 that in December 1884 he directed Craig to make improvements upon the buildings and enlarge them so that the stores of the Company could be kept there, all of which was done at the expense of the Company. On page 46

Craig

Craig subsequently referred to this matter in these words - "Have you had the transfer of the St. Clair lease I enclose you a copy of the location sent from the Department at Ottawa. Our improvements are on the St. Clair lease" (Page 60) See plan which he refers to on Page 62) The cross on the plan with the words "Oxley Rancho" are in the hand writing of Craig himself, and this cross represents the spot where the buildings claimed by Craig are situated. Again on page 64 he refers to the names given, and finally says the whole is to be called "New Oxley" and he uses the expression "We have 'Oxley Home' where I live"; and he concluded by asking Mr. Hill if he approved of these names. If the property was his own why did he ask this question? Again on page 72 Craig says - "Our home ranch is on a portion of the St. Clair lease. He thereby directly states that the property which he now claims was a part of the St. Clair lease which he wished the Company to acquire. Craig admits that a certain portion of the cost of building was paid for by the Company and he says that Mr. Hill agreed that he would put up these buildings for him in order to induce him to bring his family to the North West. Craig also states that he was subject to dismissal at any time. Surely it is not reasonable that the Company would incur an expenditure of \$3000 for a man whom they might dismiss and who could voluntarily leave their service at a moment's notice. Pinborne says on page 11 that Craig and the Company treated the property as the property of the Company.

Difficul-

" and a half away.

" It appears that Mr. Hill went with Craig to select a place where the Manager's house should be located and built, and it was evidently then intended that these buildings should be put up at the expense of the Company. They went a mile and a half from Kountz's house along Willow Creek and selected the present site for these buildings. This selection was made on the 15th day of October 1912 ( See Craig's affidavit page 14 ) Craig says " Mr. Hill traced the first sod" (page 99) Hill says he worked on the site and planned the house (page 21).

" It appears that Craig and the other men belonging to the band lived in the Kountz house during the winter of 1912 and until December 1913, when the Manager's house in question was completed, but no work was commenced or done from the house until in October 1913 (See Mr. Hill's affidavit <sup>page 10</sup> 10) Mr. Hill and Lord Jathen visited the house again in August 1913 and at that time Craig strenuously urged the acquiring of the Collingwood and St. Clair leases.

" Before work had been commenced on any of the buildings which Craig now claims, he knew that the Company thought of acquiring the lease which covered the <sup>Craig</sup> land in question, and urged this acquisition (See Mr. Hill's affidavit page 12) Craig also knew that negotiations were going on in respect to this matter (see his letter on page 47) where he says " I am greatly pleased you have the Collingwood Lease" (See also his letter on page 49 ) " I advise now the St. Clair Pine Coulee".

The following letter was received at this Office on the 2nd. December '87 :-

Dear Sir:-

*Minneapolis, 1st December 1887*

Re Oxley Rancho vs. Craig.

About the beginning of this transaction the Collingwood Rancho Company were either lessees or entitled to a lease (against other lands) of the portion of Township 13 1/2 line south of Willow Creek, and apparently the St. Clair Company were negotiating with the Government for the lease of that part of Township 13 1/2 line north of Willow Creek. It appears that Mr. A. Staveley Hill and his associates had made up their mind to start a rancho in the neighborhood of this Township in the early part of 1882, and in March of that year Mr. Hill had his first interview with Mr. Craig, which led to his subsequent appointment as manager of the "Oxley Rancho". In the summer of 1882 Craig went out to this locality for the purpose of selecting a place to start this rancho (See Mr. Hill's affidavit page 30) and in the month of August Mr. Hill went out and joined Craig. A man named Koenitz had squatted on Willow Creek and was living there in a shanty when Craig arrived. Apparently after Mr. Hill joined him, Craig obtained from Koenitz the right to purchase shown on page 10a; this purchase although taken in the name of Craig was evidently made by him on behalf of the Company, because the Company paid the \$1300 stipulated (See top of page 11) You will see by the nature of purchase that Koenitz sells homestead property *surely this must mean the land upon which the buildings* and empty and buildings were situate and not land a mile and

in any one year that the right to land shall be forfeited and the entry be cancelled.

I cannot find anything to the effect that where all the provisions of the law have been complied with so far as settlement, cultivation and occupation are concerned the entry can still be cancelled because some other person claims that the improvements were partly made with his own money. I think I might even go as far as to say that if Mr. Craig had fraudulently used their own money to do the whole of the acts necessary to secure the entry could not be cancelled as the provisions of the act would be fully complied with there being no fraud against the Government. If such was the case (and it is not) the Company have their remedy in an action at law and it seems to me that that is their proper course of remedy in this case. As the Company have stated that Craig is indebted to them I may also state that Mr. Craig claims that the Company is indebted to him in a large amount and is bringing an action therefor when the whole matter can be ventilated in the Courts. Trusting that I will be advised of the Minister's decision.

I remain &c. &c.

• assured that he (being liable to dismissal on short notice at any time) desired to provide a home for his family after going to great expense in bringing them up and that in so doing he was to be assisted by the Company I do not assert that buying out the squatters rights gave Craig any title but I do claim that such purchase is a material circumstance showing his good faith in connection with the matter Craig did not make his entry in the land office until Jan. Aug. 1886 when the land formed part of or was covered by the St. Clair lease and in making his application for entry he did not state that the property was in St. Clair lease nor did he file any consent from such company. I think that is accounted for by the fact that he was in possession prior to the granting of the St. Clair lease that the improvements were his own and that he did not consider any one could have any claim against him under those circumstances. The land I think became open for entry in October 1884 and it seems to me that if Craig had been trying to defraud any one he would have made entry before Aug. 1886. The Exley Lumber Company did not acquire the St. Clair lease until sometime in 1885.

• I have gone carefully through the Dominion Lands Act and I cannot find any provision there affecting the matters in issue herein Section 38 provides that an entry shall be void unless perfected within 6 months by going into continuous possession and cultivation Section 39 provides for cases where a settler has not resided upon and cultivated his homestead at least 6 months

And that the said Oxley Ranch Company through you, as land agent remained in possession of the said lands up to the date you obtained entry for <sup>there</sup>

Secretary

On the 3rd of March, the following affidavit was filed:-

I William Black of the Town of Macleod in the N. W. T. , Accountant do solemnly declare -

That I was employed by John R. Craig, Manager Oxley Ranch ( Limited ) from the month of June, A.D. 1884 for the purpose of keeping the accounts and books of the said Company, under the instructions and supervision of said John R. Craig, and did so keep the said books and accounts from the said month of June A. D. 1884, up to the 4th. day of September A. D. 1884.

With the knowledge and approval of the said John R. Craig an account was opened in the ledger " Improvements " against which it was understood that I was to enter all moneys expended or liabilities incurred on account of improvements made on the Company's property and ranches - I am acquainted with the nature of pasture and improvements currently known as Oxley and entered in the books various items for improvements thereon as furnished to me from time to time by said John R. Craig.

I had no instructions from said John R. Craig to treat this property as distinct from any other property or ranches of the Company, but on the contrary it was well understood that the various items for buildings and improvements thereon should be charged to the general account of " Improvements " in the Company's books, and the said property and improvements were always treated in the books as the property of the Company.

- To the best of my knowledge, information and
- belief all improvements made on the said premises up to
- the 1st day of October A . D . 1885, were credited by
- said John K . Craig in the Company's books, either as
- cash or liabilities incurred on behalf of the company,
- and debited in the ordinary account of improvements.

( S . G . I . "William Black"

Declared before:

On the 12th. of March, the following declar-  
ation was filed: -

- I Henry Stanley Kimber of the District of
- Alberta, in the W . T . . . . .
- declare :-

(1)

- That on or about the 1st day of April A . D .
- 1886, I was instructed by the Oxley Ranch ( Limited ) a
- Company carrying on business in the District of Alberta,
- to investigate the affairs of the said Company and more
- particularly to enquire into the management of their
- Agent and Manager, John K . Craig, being authorized by
- Power of Attorney to act in all matters and things ap-
- pertaining to their property and effects in and about
- their ranches and other property in said District - and
- in pursuance of such instructions I resided for some
- months in the summer of the year 1886 in and about the
- Company's ranches on Willow Creek.

(2)

- The land in question was taken possession of

by

by said Alexey Larche (limited) by their Agent and Man-  
 ager, John H. Craig, acting for and on their behalf on  
 or about the month of October A. D. 1883, as I am in-  
 formed and believe, and is included among lands acquired  
 by Alexander Staveland and George Baird respectively  
 both directors of the said Company, and held by them for  
 the purposes of and in trust for the said Company, on  
 the recommendation and advice of said John H. Craig,  
 as I am informed and believe.

(3)

The greater part of the said land in question is  
 included in a purchase made by said Company, on the  
 advice and recommendation of said John H. Craig, for  
 the purpose of their business in the year 1884, as I am  
 informed and believe; and further increased in area by  
 by the said Company in the years 1884, 1885 and 1886, at  
 a large expense of money and labor, and the said  
 buildings and other improvements on the said land in question  
 for and on behalf of the said Alexey Larche (limited).

(4)

The land in question and the said improvements  
 were always treated by the Company, and to the best of  
 my knowledge information and belief by said John H.  
 Craig, as the property of the Company, and the said John  
 H. Craig never at any time, although I had frequent con-  
 versations with him in regard to the affairs and property  
 of the Company, and went over and examined his books of  
 account, led me to suppose that he claimed or pretended  
 to claim the land in question or any part thereof as his  
 own, but on the contrary the said property and improve-

ments

"rents and the moneys expended thereon were entered and  
 "entered in the accounts as other property of the Company  
 (6) "the first intimation I had that the said John

"R. Craig intended to set up a claim to the land in ques-  
 "tion on his own behalf was when I learnt that he had on  
 "or about the 1st day of August 1880, made entry for the  
 "same at the Land Office in Sydney, and I verily believe  
 "that said entry was made for the improvement and  
 "benefit of himself and the Company at the expense of their  
 "said improvements.

(6) "In the month of July and August A. D. 1880,  
 "various ill notices arose between the said John R. Craig  
 "and the Company, and the said Company, not having  
 "been able to obtain satisfaction from the said Craig,  
 "was compelled to suspend him from the Company, on the 21st  
 "day of September 1880, and to remove him from the  
 "management of the Company's affairs, and on the 10th day  
 "of September 1880, the said Company I was the said  
 "John R. Craig, and of his removal from his position  
 "as manager.

(7) "In the month of October 1880 the said John R.  
 "Craig presented a statement of his accounts and expend-  
 "iture to the Company, and claimed credit  
 "for certain expenditures on improvements on the land in  
 "question, and expenditures made in regard of improve-  
 "ments for the Company, and which were so passed and al-  
 "lowed by me in said accounts.

(5)

- I am informed and believe that the entry for
- said land made by said John E. Craig was so made with-
- out the knowledge or consent of the said company, Alex-
- ander Staveland, George Cairns, or any or either of
- them and that said John E. Craig, in giving the con-
- sent of the lessees to such entry was acting fraudulently
- and in bad faith.

(3) I, J. E. Craig, do hereby

swear, under oath, that I am

J. E. Craig.

on the 1st of April 1907, the following

- I, John E. Craig, of the District of Alberta,
- do hereby declare, swear, do solemnly swear and
- say: -

(1)

- that I am a resident of the District of Alberta
- and of Charles Township, District of Alberta, and
- am a resident of the District of Alberta, and
- of the District of Alberta, and
- of the District of Alberta.

(2)

- That said William Black was the book keeper for
- the Alex. Staveland company as stated above and I believe
- he opened an account therein for improvements and lands
- return to him of all monies received by him and expended
- on behalf of the company.

(3)

- That the books of the said company I believe
- are now in the possession of said William Black or said
- McCaul and I have not seen them for some time but the

statement

- statement made by said Black that he was acquainted with
- enclosed pasture and improvements commonly known as New
- Oxley and entered in the books various items for im-
- provements thereon is entirely misleading.

(4)

- The premises I claim as my homestead, to my
- knowledge have never been known as New Oxley. New Ox-
- ley was the buildings used by the Company for their own
- use. The New Oxley most allude was at my house; but
- my house has never been known, to my knowledge, as New Oxley
- and the declaration of said Black may refer to improve-
- ments properly chargeable to the Company as made on
- their own land; but I cannot say from his declaration
- that he means and I feel satisfied that he cannot show
- nor can any one else show from the Company's books the
- monies expended on the house, stables and other improve-
- ments made on the land in dispute herein. And I am con-
- vinced when the declaration of said Black is made as to
- what improvements he refers to to meet his declaration.

(5)

- But it is utterly impossible that Mr. Black
- or any one else should know or have any idea what ex-
- penditure I have made on the premises in question in
- this matter in itself.

(6)

- That I am satisfied that the declaration of
- said Black was purposely drawn to mislead this Commis-
- sion, as I cannot find that in his declaration he shows
- that one dollar expended on the premises in question
- which I claim as mine was charged up to the Oxley Rancho
- Company.

That

-----

(7) That in the year 1882, I was engaged by Stavel, Hill, Jord Ishtar and George Baird all partners in the ranching business as their manager in the North West Territories of Canada, and in August 1882, I came to the said North West Territories and selected certain places for the said partners to go into the ranching business and in October of said year selected the points on which to erect their buildings for their ranching pursuits and the Rancho was to be known as the Oxley Rancho.

(8) After selecting the sites for the buildings of the partnership and on or about the 11th day of October 1882, I arranged with said Hill that I should bring my family to the North West Territories, which latter had not been arranged for in my written agreement with them.

(9) Mr. Hill agreed with me in order to induce me to bring my family to the North West Territories, that he and his partners would build for me a residence and necessary buildings. This agreement was made with Mr. Hill to induce me to bring my family to the North West Territories as he stated to me in consideration of the sacrifice they would have to make in living in an isolated part of the country without any advantages of society and otherwise, and of the necessary expense that would be entailed on me in supplying accommodation and food to parties visiting the Rancho and doing business

iness  
-----

- iness with the Rancho and of the increased confidence
- they would have in my management of the Oxley Rancho
- by my having my family with me.

(10)

- On the 11th day of October of the same year
- I and Mr. Hill in company with our foreman Mr. Harry
- Cottingham selected a place, not on the <sup>land proposed</sup> land proposed
- as a lease for the Company, but on land not taken up
- by lease holder or settler and on land which was after-
- wards granted the St. Clair Rancho Company in the latter
- end of the year 1884 or the beginning of 1885, and which
- land was later informed transferred by said Company to
- George Laird for and on behalf of the Oxley Rancho Company
- in March 1885, and the Government acknowledged the same
- in September 1886.

(11)

- At the time of the selection of the location
- of my present homestead Mr. Hill stated to me in the
- presence of my said foreman Harry Cottingham, that as
- the land was not on the Company's land I would have to
- homestead, which I did. He said Mr. Hill knew I was
- taking this land as a homestead and consented to same as
- it was near the <sup>proposed</sup> buildings of the Company and
- would be handy to their place of business, and I have
- hereto attached a copy of a letter from S. J. White who
- was acting then on behalf of the St. Clair Ranching Com-
- pany.

(12)

- That on such understanding and agreement I
- went on and erected buildings on said homestead and

used

• used the partnership funds to a certain extent in erect-  
 • ing same or parts of same according to agreement with  
 • said Bill; but the major portion of the improvements  
 • I made were made with money out of my own pocket as I  
 • did not deem it right to make as large improvements as  
 • I desired out of the Company funds; but only such as  
 • would be necessary. I also incurred expenses on behalf  
 • of the said partnership in supplying accommodation and  
 • board to persons visiting said ranch on business or  
 • with consent and approval of said partnership to about  
 • as much as was expended in Company funds on such build-  
 • ings. I made a large expense in fixing the premises  
 • beyond what was charged Company as I was fixing premises  
 • for my future home in the North West irrespective of  
 • and not in connection with said firm or Company for  
 • which I was managing, as I was liable to dismissal from  
 • the said Company on three months notice at any time, and  
 • I desired to have a home in case of such dismissal, and  
 • unless I had such a home it could not have paid me to  
 • bring my wife and family to the North West. If I had  
 • been dismissed at any time at end of three months my  
 • salary would not have paid for expenses of bringing them  
 • up to the North West, and my only idea in bringing them  
 • up was to establish a home for them and me as agreed  
 • that I should in order that the Company might have a  
 • person interested in their affairs being permanently es-  
 • tablished in the Country.

The

" The fourth fifth and sixth clauses of the said  
" declaration of said McDaniel are untrue and he is not in  
" a position to know any of the facts he swears to in such  
" clauses of said declaration; but on the contrary knows  
" his assertions therein to be false as in the month of  
" May in the year 1900, there were executions in the  
" Sheriff's hands against the Oxyel Ranch Co. ( Limited )  
" which Company was formed I believe of the partners with  
" whom I engaged and their wives although no change was  
" made in my position after such formation and I took the  
" advice of said McDaniel who was then my Solicitor, as  
" well as the Solicitor of the Ranch Company engaged by  
" me and he advised me they could not in any way touch the  
" property in question as it was my own and Company had  
" nothing to do with it .

" I further state that the said vessel is a bit-  
ter personal enemy of mine for reasons unknown to me and  
has been such for some time and I state that I believe  
that it was largely through its treachery and influence  
that I was dismissed from said Government's service.

" In clause 7 of the affidavit of such Richard  
" he does not state that my entry on such homestead was  
" made before I had any disagreement with the said company  
" and at the time I and the said Richard apparently were on  
" the best of terms, as is the fact. As the first know-  
" ledge I had of any disagreement with the company was on

— — — — —

- the 4th. of September 1886, as I was on the most friendly terms with the managing director Mr. Staveland Hill, as his correspondence will prove.

(16)

- That I have annual returns to the General Manager of said Company in full of the property in the North West and in such returns the improvements and buildings on my homestead were never included, although such I am well of such buildings on my homestead having visited several times at my present home.

(17)

- That I utterly deny the imputations of any fraudulent design in this said homestead or any imputed in the clause of said General's declaration on his information and belief; for say that I honestly made the improvements now entered for said land on my own homestead and that taking into consideration the money I have disbursed for said homestead there is not one dollar of the Company's money in the improvements on my said homestead.

(1) ▪ That my knowledge concerning improvements on  
 the land in question and other lands at New Oxley owned  
 by the Oxley Ranch Co. Limited is derived chiefly from the  
 books of the said company as kept by me and such im-  
 provements were charged in the books under the general  
 heading of improvements.

(1) I Herbert M. Cottingham of Willow Creek &c.  
 That I am well acquainted with the property in  
 question herein having resided within a few miles of it  
 continuously since the year 1882.

(2) That Willow Creek has made great encroachments  
 on that part of the said land near the buildings erected  
 thereon and has been gradually wearing away the bank and  
 overflowing to the great danger of the said buildings.

(3) That John R. Craig has caused a large amount  
 of work to be done by way of cribbing and otherwise to  
 withstand the floods and protect the river bank and  
 buildings which said work was done at the sole expense  
 of the said John R. Craig.

(4) That I personally know that the said John R. Craig  
 has expended a considerable amount of money and labour  
 in improving the property in question by finishing the  
 house, buildings corrals and otherwise.

Declared the 30th. June '87

before F. W. G Hauicain (S'g'd) H. M. Cottingham.

I Joseph E. Montagu-Jeeds, of Willow Creek &c  
 that I came to the Oxley Rancho in said Ter-  
 ritories in July 1883, with a letter of introduction  
 from A. Staveley Hill one of the Directors of the Ox-  
 ley Rancho to John E. Craig, <sup>Manager of the Oxley Rancho in Canada.</sup> that I was in the employ-  
 ment of the Company from March 1884 until April 18th.  
 '85, and have since that time resided close to the Com-  
 pany's Rancho that I know the place enclosed and oc-  
 cupied by the said John E. Craig, and on which he re-  
 sided with his family since their arrival in the pro-  
 vince of Alberta.

I am well acquainted with the buildings and  
 improvements on the homestead above mentioned, the  
 house was commenced in July '83 and located about 100  
 feet from the waters of Willow Creek.

The high water has made encroachments upon the  
 bank cutting it away about 80 feet.

The buildings have been in very great danger  
 of being washed away by the floods.

I have seen the work Mr. Craig has had done to  
 save the said buildings from being washed away which has  
 caused a large <sup>outlay at his</sup> expense and I knew that but for such  
 work the stream would have cut the bank away causing the  
 destruction of the buildings.

And I knew that Mr. Craig has been to great  
 expense in the improvements of the homestead, both in  
 finishing the house and erecting corrals &c.

Witnessed by John Arnoss (S'g'd) Joseph E. Montagu-Jeeds.

The above declaration is a true and faithful  
 statement

▪ statement of facts , which, I would willingly swear to  
 ▪ before a Justice of the peace, had we one within a rea-  
 ▪ sonable distance of our district, the nearest one being  
 ▪ 30 miles away.

(Ind) J . E . M-I.

On the 20th. of July , the following affidavits  
 were filed:-

▪ I Alexander Stavelly Will &c . &c.  
 ▪ That I have read the declaration made by John  
 ▪ E . Craig in this matter dated 1st. April 1887.  
 ▪ That I positively deny that I ever entered in  
 ▪ to any agreement with the said John E. Craig that I or  
 ▪ my partners or any of us , should erect any residence  
 ▪ or building as a homestead for the said John E . Craig  
 ▪ I did in my capacity of managing partner direct the said  
 ▪ John E . Craig to build a house and stables as a manager's  
 ▪ residence and planned the same with the said John E .  
 ▪ Craig and marked out the site for the same on land ad-  
 ▪ joining the improvements purchased by us from one Kuntz  
 ▪ and I directed the said John E . Craig to occupy this  
 ▪ land and premises and hold the same on behalf of the  
 ▪ said Company; and I never at any time expressed any such  
 ▪ idea as that the property was to be the private property  
 ▪ of said John E . Craig or to be retained by him as a  
 ▪ homestead.

(2)

▪ I was however perfectly willing and anxious

that  
 -----

that the said John R. Craig should have his family to  
 reside with him, and that the house in question should  
 be built so as to accomodate them but there was no agree-  
 ment whatever that for this or any other reason the  
 property should belong to the said John R. Craig, but  
 on the contrary it was clearly understood that his oc-  
 cupation and possession of the same should be as Manager  
 for and on behalf of the said Company, and it was lar-  
 ly for the sake of protecting these improvements in case  
 any difficulty should at any time arise as to the Company's  
 possession of the land in question that the said John R.  
 Craig advised the purchase by the Company of the lease  
 known as the St. Clair lease; And before the said  
 John R. Craig went into actual occupation of the house  
 and improvements he had recommended us to acquire a por-  
 tion of the lease covering Townships 13 in Ranges 28 &  
 and  
 29 ~~was well~~ as are that we were negotiating for the pur-  
 chase of the same.

(3)

That the statements made by the said John R. Craig in the 12 paragraph of his affidavit are I verily  
 believe purposely drawn to mislead. The said John R. Craig admits the use of the Company's funds to a certain  
 extent, but does not state any payments made by him-  
 self out of his own pocket as claimed by him and the  
 said John R. Craig was not (as he repeatedly told me)  
 possessed of any funds with the exception of some money  
 which he had borrowed of a relation for the purchase of  
 some Mining Shares. The men who were employed in get-  
 ting

 ting  
 -----

▪ ting out and hauling materials and in working on the  
 ▪ said buildings and improvements were in the employment  
 ▪ of the Company and received their wages from the Company  
 ▪ for the work they were doing. The expenses claimed by  
 ▪ the said John E. Craig to have been incurred in supply-  
 ▪ ing accommodation and board to persons visiting the said  
 ▪ Rancho on business were never included in any statement  
 ▪ of account rendered to the Company and there was never  
 ▪ any agreement or arrangement that any such expenses  
 ▪ should be set off against the monies expended by the Com-  
 ▪ pany on improvements so as to give the said John E.  
 ▪ Craig any claim thereon or to attempt to set <sup>up</sup> his  
 ▪ said affidavit and I have no reason to believe that with  
 ▪ the exception of his own private friends any persons  
 ▪ were so received or entertained.

(+)

▪ That at the time the said John E. Craig made  
 ▪ entry for the lands in the Mexican Land Office, the  
 ▪ land was included in lands originally leased to the St.  
 ▪ Clair Rancho Company, which land the said John E.  
 ▪ Craig was well aware had at the time when he made the  
 ▪ entry been acquired on the behalf of the Company by his  
 ▪ employers, and in giving the Company's consent to such  
 ▪ entry the said John E. Craig was acting fraudulently  
 ▪ and without the knowledge or the consent of the said  
 ▪ Company and in derogation of his duty as an Agent and  
 ▪ Manager.

Sworn on the 11th. July '87,

before Alfred H. H. Co.

(S'g'd) A. L. Staveley Hill.

(1) I Alexander Staveley Hill &c. &c.

In the month of March in the year of our Lord 1882, one John E. Craig was engaged by me and the Earl of Lathom and George Baird my partners in the cattle business known as the Oxley Rancho Company as Manager for our said business in the North west territories subject to his giving a security for the faithful discharge of his duty and the said John E. Craig was accordingly sent out to the said west territories in the summer of the same year where I afterwards joined him in or about the month of August, and after having the said John E. Craig with me for some weeks although he was unable to furnish such security I came to the conclusion to continue him as Manager, with strict orders as to his conduct of business and upon reiterated promises that I should never find him wanting in any respect if I would only accept him without insisting upon the guarantee which he was unable to procure and which I then waived.

(2) I remained in the West in the 1882, from September until the middle of November, and inspected the range which had been acquired <sup>for</sup> by the Company known as the Oxley Rancho with the said John E. Craig. I saw that it was desirable in the interest of the business that land should be acquired on and about Willow Creek and I concluded a purchase of the improvements and possessory rights of one Kuntz, a settler on a large bottom known as the Leavings on Willow Creek with a view of taking possession of this bottom and establishing the

home

- home rancho. This settlement by Kuntz was anterior to
- the date of leases and ~~we~~ bought his rights and I paid
- \$1300 for the same in 1882. Before leaving for England
- I marked out the site and planned the Manager's house at
- the upper end of the said bottom (being on the land in
- question in this matter) where the said John R. Craig

- The said John R. Craig solemnly advised the
- acquisition by us of the leases known as the Colling-
- wood and St. Clair Rancho leases under date of May 23rd.
- 1883, a copy of which letter is hereto attached marked
- (A) he wrote as follows:- "I saw our range when with
- the surveyors and knew how our boundaries ran. The East-
- ern boundary is about 3 miles West of the Lake where so
- many wild geese were. The lake you named Lake Henry,
- and about 8 miles North of our Southern boundary The
- range is <sup>far</sup> far West, too near the Mountains. Our Eastern
- boundary is fully 4 miles West of the forks of Willow
- Creek a part of Wright Odell & Co., and the North portion
- of the Collingwood is the best range, and I think they
- may be got for a reasonable sum. In writing to S.
- White (he is an M. P.) I gave him my opinion of the

country in general and I think they may offer their lease . We must get a portion of the leases further East Townships 13 in ranges 28 and 29 . I think you would not wish me to make any improvement in the Oxley lease for a home farm and corral as there is no place suitable for winter" . In answer to this communication I wrote to the said John R . Craig on the 30th. June 1883, agreeing with the suggestion and authorizing him to put himself into communication with a view to the purchase of these leases.

Later in the summer 1883, my partner the Earl of Lathom and I visited the Rancho, and in the month of August 1883, the said John R . Craig again called our attention to the necessity of acquiring additional lands for winter feedings, more particularly referring to the two leases above mentioned, in which suggestion we acquiesced . The contract for the purchase of the Collingwood lease was concluded between Henry J . Scott Q .C . and myself on behalf of the Company on the 20th. October 1883, and on December the 15th. 1883 . ( Letter hereto attached and marked "A" ) the said John R . Craig wrote to me . " I am greatly pleased you have the Collingwood lease it gives us command of such a range". In the month of October 1883, or thereabouts the Manager's house and stables were built and on December the 15th. 1883, ( Letter hereto annexed marked "B" ) the said John R . Craig wrote to me " When I return from gland off I will take stock , make an inventory of all our stock implements &c

" In December 1834, I again visited the Rancho

 " carried on by the New Oxley Ranch (Canada) Company of

 " which I am a director.

" The whole of the facts attending Mr. Craig's  
 " connection with the Company are within my knowledge and  
 " are as follows - In the month of April - 2 and af-  
 " ter my return from London at which I had been visiting  
 " the North West Territory to assist myself as to its  
 " fitness as a possible field for immigration Mr. Craig  
 " told me that there was a man to be called upon at  
 " his residence in Staffordshire and inquiring as to who  
 " he was and why he wished to start a large company of  
 " ~~settlers in the North West Territory~~  
 " I found that he was willing to himself be interested in  
 " the same and I, having no previous acquaintance with  
 " the said John R. Craig, and knowing that he was well ac-  
 " quainted with cattle business I introduced him to my two  
 " partners, the Earl of Lathom and Mr. George Baird, but  
 " finding that Mr. Craig had no means at his disposal and  
 " that he was not likely therefore to forward the inter-  
 " ests of the Company by finding any capital we agreed to  
 " appoint him our manager subject to his giving security  
 " for the faithful discharge of his duties. The terms up-  
 " on which he entered upon the office of manager are set  
 " out in the agreement and bond annexed "A" annexed to  
 " an affidavit made by me and dated the 25th day of Sep-  
 " tember 1886, whereby amongst other things the said John  
 " R. Craig agreed that he would whenever required hand  
 " over all books papers journals memoranda and all other  
 " the

the property whatsoever of the partners to such person  
 or persons as the partners should appoint in writing to  
 receive the same. After this arrangement the said J.  
 R. Craig went out to Toronto with a view to complete  
 the security which he had undertaken to give. He was  
 unable to find either by means of a guarantee company  
 or by responsible friends or relations any guarantee for  
 his fidelity or the due discharge of his duties. In the  
 August of 1882 I went out to the West and although I was  
 dissatisfied by those to whom the business had been en-  
 trusted in Toronto from accepting Mr. Craig as Manager  
 unless he gave the required security as appears from the  
 correspondence annexed. After having him with me for  
 some weeks I came to the conclusion that I could trust  
 him and I appointed him as Manager with strict orders as  
 to his course of business and upon reiterated promises  
 from him that I should never find him wanting in any re-  
 spect. I would only accept him without insisting up-  
 on the guarantee which he was unable to procure and which  
 I then waived. For the further verification of the whole  
 of this I refer to the letters accompanying this affi-  
 davit contained in the letter book annexed to an affi-  
 davit made by me on the 23rd. day of September 1882,  
 and which letter book is A. F. Marked "B". I re-  
 mained in the West in the year 1882 from September until  
 the middle of November and during that time I personally  
 made large purchases of cattle and completed the ac-  
 quisition of a ranch and range and having arranged all

the

the necessary details I came home to England leaving the  
 said J. R. Craig as Manager of the Rancho under the  
 agreement to which I have already referred. Before  
 leaving I marked out the site of and planned the Manager's  
 house in which the said J. R. Craig should reside so  
 long as he was Manager of the company and I gave direct-  
 ions for the commencement of the building of it. The said  
 house and the stables were erected in accordance with  
 my orders as Managing Director of the Company, and the  
 whole of the costs and expenses were by the said J. R. Craig  
 charged against the Company in the accounts  
 furnished by him from time to time and were paid for out  
 of the moneys of the said Company.

The partnership was duly registered as a joint  
 stock company in England under the title of the Oxley  
 Rancho (Limited) on the 27th day of June 1883, and  
 from that day all the property of the partnership be-  
 came the property of the Company and the business was  
 carried on by the said J. R. Craig as Manager for the  
 said Company.

My partner the Earl of Lathom visited the  
 Rancho with me in 1883, and in August 1883, the said  
 J. R. Craig called our attention to the necessity of  
 our acquiring additional lands for winter feeding and on  
 November 23rd. 1883, he wrote to me amongst other mat-  
 ters in the words following - "The acquisition of the  
 Collingwood lease is of great importance and very val-  
 uable I advise now the St. Clair Pine Coulee is one of  
 the best all round cattle places in the north west and

" is on the St. Clair" Again on May the 3rd. 1884, he  
 " wrote " What about Collingwood and St. Clair and the  
 " Home Farm here These things are important to us " On  
 " May the 20th. 1884, the said J. R. Craig wrote me the  
 " letter annexed hereto and marked 119 enclosing the plan  
 " also annexed hereto and marked 120 in which appears in  
 " his own hand writing the house now claimed by me as  
 " being " Oxley ranche".

" I went out a min. West in September 1884, and  
 " proceeded to the ranche being met by the said J. R. .  
 " Craig at Calgary. My visit was for the purpose of ob-  
 " taining a true and complete statement of the accounts  
 " and inspecting the H. d. During this visit I lived in  
 " this house and transacted there with the said J. R. .  
 " Craig the business of the Company. No suggestion was  
 " either then or at any time made to the said J. R. .  
 " Craig as to any claim to the said house. I planned with  
 " him a further extension and enlargement of the house so  
 " as to keep there the stores required by the Company and  
 " I also directed the enclosure of a great part of this  
 " quarter section with other lands which improvements were  
 " carried out by the said J. R. . Craig for and at the cost  
 " of the Company as his employers.

" I negotiated with the leasees of the Colling-  
 " wood and St. Clair leases respectively for the purchase  
 " by the Oxley Company of those leases and they were duly  
 " assigned to our Company and the purchase money was paid  
 " by the Oxley Company for those leases and assignments

" now the property of the plaintiffs.  
 " Reports <sup>having</sup> reached me as to the unfitness of the  
 " said J. R. Craig to fill the office of Manager in con-  
 " sequence of repeated acts of drunkenness I wrote to him  
 " the letter under date of May the 12th. 1884, to which he  
 " replied by letter dated June the 7th. 1884, both of which  
 " letters accompany this affidavit. During my visit of  
 " 1884, I found how seriously the position of the Company  
 " was affected by his continued misconduct, and no satis-  
 " factory results having <sup>been</sup> arrived at by personal remonstrance  
 " thereon made to him and many grave irregularities having  
 " occurred in the forwarding of accounts (all of which ap-  
 " pears from my letters in the aforesaid letter book) my  
 " partners and I felt that it was not only to ourselves  
 " but to those whose money with our own was in the concern  
 " to take some steps to find out the real conditions of  
 " matters. In the beginning of April 1885 we sent out my  
 " partner here W. H. Stanley Pinhorn, in whom the Dir-  
 " ectors <sup>have</sup> and have the greatest confidence, to visit the  
 " branch with instructions if he found it necessary to sus-  
 " pend the said J. R. Craig from his office as Manager  
 " and to take possession under a power of Attorney, which  
 " we then gave him, all books papers journals and all  
 " other the property whatsoever of the Company. Mr.  
 " Pinhorn proceeded to the branch and carried out our in-  
 " structions and the report which we received from him  
 " determined us to endorse the course of action which he  
 " had found it necessary to take and I communicated to the  
 " said John R. Craig, and advertised in the McLeod

I gave him his suspension as Manager of the Rancho. On  
 September the 9th. and 22nd. 1885, I wrote to the said  
 J. R. Craig the letters annexed, directing him to  
 leave with Mr. Pinherne all the accounts or the copies  
 of those of which he thought it better to bring over the  
 originals and to come over to England as the Directors  
 wished to see him personally and to go through all the  
 accounts and transactions. On September 23rd. I wrote  
 again to him informing him of his suspension of his connec-  
 tion with the Rancho and the reason for our suspending him  
 from his position as Manager. On October the 6th. 1885  
 I sent out to the said J. R. Craig notice of his sus-  
 pension as Manager in consequence of the report which  
 had been forwarded to us and the agreement of the  
 plaines by him with the terms agreed upon with the part-  
 ners and the conditions of the bond. ~~About~~ About the  
 middle of the month of December the said J. R. Craig  
 came to London and met Lord Lister, Mr. Lister himself  
 and the result of those interviews appear in a letter  
 from me to the said J. R. Craig on December the 20th.  
 After my return to London after Christmas we again  
 summoned him to attend on the 25th. January 1886, and  
 to bring with him his accounts. In the letter of Jan-  
 uary 30th. 1886, he declined to attend the appointment  
 I had made and requested me to make any further com-  
 munitations in the matter to his solicitors in whose hands  
 he had placed the case to act on his behalf.

The said J. R. Craig has never at any time  
 either at the said interviews or at any other time put  
 forward

forward any claim to any land or buildings on the leases of the Company.

The said J. H. Craig has never at any time acquired any share in the capital of the Company or had any interest in the same other than as being employed by the Company as their manager and all acts done by him with respect to the property of the said Company and all improvements made by him on the leases of the said Company have been made for and at the expense of the Company and on behalf of the Company.

This is the full writing, marked "A" referred to in the Affidavit of Alexander Stanley Hill sworn to in before me.

(S'd) Alfred Hage.

Per me, London, 13th. May, 1888,

Dear Sir:

I have mailed my account and vouchers. The long delay in sending them was occasioned by being detained at London unexpectedly. When I left Oxford to buy Cooper's cattle I expected to have been back to Oxford by the middle of January and sent in the accs. promptly. In future I will carry my cash book and mail accs. at regular periods.

At Oxford - The surveyors had the timber limit

- 2 Townships surveyed - They came in the morning I left
- Indeed, the two Townships took in all the best number
- of the porcupines, as the Surveyor said, and from what
- I saw in my ride over the place a better selection
- could not have been made - I ~~sent~~ told the Surveyor to
- send you the maps and copy of notes.
- While at Oxley - A man named Johnson from
- New Brunswick came <sup>up</sup> to see the lease of Dunn and others
- in Township 13, 14 - to the <sup>Quebec</sup> East of ours, he was
- not prepared to say little, but thought it quite probable
- they would give up their lease.
- I received a letter from S. White, Windsor,
- Canada asking my opinion of the lease of Wright, Adell
- & others, I have written a letter, and I think it probable
- a portion of their lease can be let.
- I was asked if I knew of a purchaser for the
- Collingwood lease. The man who spoke to me had writ-
- ten out particulars as to the price the Collingwood
- people ask: I am told, <sup>Sutton</sup> McCarthy P.P. is one of the Co.
- I saw our range when with the Surveyors, and
- show how our boundaries run. The eastern boundary is
- about 13 miles West of the lake, where so many wild
- geese were. The lake for many miles north and about 8
- miles North of our southern boundary - The range is too
- far North West - and near the mountains, our eastern
- boundary is still 14 miles West of the forest of Willow
- Creek, a part of Wright's small Co., and the North por-
- tion of Collingwood is the best range, and I think

they

-----

- they may be got for a reasonable sum. In writing to
- to S. White (he is an F. P. P.) I gave him my opi-
- nion of the country in general, and I think they may
- enter their lease - We must let a portion of the leased
- further that township 13 in ranges 18 & 19 - of course
- our cattle will have the benefit from these lands as
- the lease-holders will not fence - I think you would
- not wish to see any improvement on the leased lease-
- for a better fence and corral as there is no place suitable
- for a fence.

- The Department of the Interior will I hope grant you
- a deed to the land of the Indian lease for a horse
- land corral. McDermick came on from Missoula and
- tried to get the cattle back, finally closed the matter
- by accepting the money. McLean gave McDermick a state-
- ment that out of the money which was said to have
- been two were McDermicks, and three should be \$5. said
- McDermick which I consented to.

- The round up has commenced, there are 90 cow-
- boys and 400 horses close to Benton. The cowboys are
- nearly all in Benton county. Herks our foreman is a
- very good man and is taking a deep interest in looking
- after our cattle, he can tell his own with them in -----
- It requires constant rustling to watch these Mountain
- fellows - There are 3 men with Herks and 20 horses &
- horses to each man. I hear to night that Higgins and
- McCormack are negotiating with Myers Truck and Co. for
- their cattle (Higgins and McLean have dissolved part-
- nership. Myers cattle are a very good band, and

way cheaper than T. J. Powers- and as good a bargain  
in cattle as any of the season.

Kinplary is here, neither he or Lepley has  
sold, Kinplary wants to sell, he told me he was offered  
\$50. per head, he says his cattle will bring him \$150000  
He wants to sell his ranch and lands 1800 acres, but  
he is asking altogether too much. I have made him no  
offer.

I have not made any mention of my purchase  
of Van's small land here at \$50 per head, I told him  
\$1000 - He will have at \$100 the balance of the money  
will have to be paid in about 10 weeks from now as they  
will have finished it in round up. We cannot sell the  
money of cattle until it is round up; but it will  
be about \$1000. It is \$10,000 going to him for liv-  
ing if the money is sent to credit of I. J. Baker etc.  
The small ranch back, New York, it will be such a tickle  
and not so expensive as sending by cheque here, as the  
cheque has to be returned to New York.

Vandergrat at Mansfield sold his land, 400  
head at \$5.5 per head so reported.

I saw quite a number of our cattle both the  
branded and unbranded, they were looking very well, some  
very fine steers.

I can see the lower road as the rivers on the up-  
per road were running very high. The old man was not  
fordable.

I am going to Supper to morrow and taking a  
hay

- hay rancho will have to get a mow and rake, <sup>heavy</sup> all the
- hay lands have been taken up the past winter about Dupn-
- per.

• I am Sir,

Your obedient servant.

• Dear Sir,

- I enclose herewith \$111, 124, 130, and one
- from certain land for his wages, No. 90, which may be in
- duplicate, the above were left for receipting.

- The weather has changed most wonderfully, no
- snow, and scarcely any frost. The cattle are all <sup>doing</sup> well.
- I. E. Baker & Co. want our steers at \$55.00 per
- head, if this weather holds we will rather nearly all,
- Tomorrow I go to Gut Bank and bring up what steers they

cut

---

- cut out and by Saturday we will have all the steers it
- will be likely we <sup>can get</sup> ~~catch~~ before spring round up. The
- cattle are spread about very much, we keep them from
- crossing the old ran, and when fine work then quietly
- towards the range.

- We are getting a good many calves; but I fear
- losing some by wolves, the last severe weather drove
- the ~~wolves~~ out, the strychnine we get does not seem
- to act, as we have used a large quantity and see very
- few dead wolves or coyotes.

- I expect to have a letter by next mail from
- Calgary, all other mail boxes are closed by order the
- last I had was from Russell; the horses are in very
- poor condition through all the range, they are in very
- poor condition all winter.

- I have a statement re <sup>debt</sup> ~~debt~~ & Cos. cattle, but
- being at the ranch and Scott just leaving can't send it
- until next mail. The cattle total to. 1200, including brand
- stock, horses, etc., including brand of 1896 they have
- about 120 steers ready for market.

- I am greatly pleased that you have the selling-
- word range it gives us command of such a range, I would
- advise to pay no more rent on the range W. of 5 Prin Mer
- we will get the use of it as well without, and please
- get the Wachtel fixed up as suggested. You are for-

- Like the man in charge of horses is staying with them
- Billy Wagner left the employment of <sup>Wagner</sup> Miner, I have taken
- him and given him the range riding at \$80. per month and
- he will also break a few horses <sup>as he has been</sup> I will feel more satis-

- I. G. Baker & Co. will take all the Steers

this season, the cattle are very much scattered from

I have heard nothing since you wrote from  
 Rimouski I expect to hear by next mail and hope to be  
 able to pay the Customs at Blackfoot and the Montana taxes  
 as I have been asked for the payments.

I have had a request from the Post Office de-  
 partment to open a Post office at the Leavings, I wrote  
 consenting, but objecting to the name, and stating the  
 place was known as the Oxley Ranch - They replied that  
 it must be opened as the Leavings but we could have the  
 name changed by petition, but not to Oxley as there is  
 a Post office of that name in Canada. I am going to ask  
 for Oxley Ranch P. O. as we are now so well known by  
 that name but may be at some time, but I think  
 Oxley Ranch P. O. will be all right.

I have <sup>learned</sup> ~~heard~~ that Mr. Brown has a range track

 I really think we should have St. Clair as a name.  
 if we are going to have a name we had better have one  
 name, and also if the Government will give me a

 not hold on to that lease W of the 5th. P. M.

Oxley Ranch, Fort McLeod 21st. January '84

Dear Sir,

The mail has arrived from Fort McLeod with  
 your two letters of the 19th. and 20th. inst. I am  
 answering them briefly by this mail I am certain that  
 several of my letters must have gone astray. Mails were  
 in a very confused way here for some time; but I contin-  
 ued to write and send letters to persons going to Calgary

At

--

present our mail comes from Calgary, and goes on to McLeod then back to us again. The mail previous to this last brought our letters, the whole mail for a week from Calgary to McLeod containing it 3 weeks.

The Assignment of Wachter's lease I send to Mr. Russell by this mail. I attend to the last thing of the word as requested in your letter.

As to Mr. Warner he is the best man to ride our range and see after our cattle that I know of. Your letter of the 11th. was the first information I had from you that the people of Montreal had complained about Cunningham and Warner regarding squatters on Winifer's lease. It is well to know that a great part of Winifer's lease has been recently surveyed and subdivided into sections by surveyors survey and that there are quite a number squatters along what is known as Meadow Creek. In any view of purchase it is well to consider the situation.

I send an estimate on Winifer & Co's. whole outfit, which you will have before this. As to Mr. Stewart I wrote you that before the summer got wild enough to gather I made him an offer of 200 at 40. per acre by cash. last. cash delivered Spring round up.

I have a letter from Stewart and copy of a letter from as follows.

Jany. 2nd. 1884, London Ontario,

John Stewart,

Have credited Oxley Ranch fifteen thousand on our books here will remit balance to Ottawa.

(S. G. D.) I. G. Baker & Co.

If the amount is as telegram states our sales are

are 2000 delivered at \$50. and 200 next spring delivery  
 for which we are now paid \$60. per head amounting to a  
 total of \$20,000 for 400 and 50 head. The telegram  
 which I have copied has been sent to Stewart. I have  
 heard nothing from I. J. Baker & Co. yet, all our  
 accounts wages and bills of every description will be  
 sent in receipted and a statement as soon as I. J.  
 Baker & Co. give me their statement of assets, viz. the  
 receipt of money from Stewart on acct. of leaves.

The cattle are doing very well the winter is  
 favourable I think better than last. One of the bulls at  
 Stand off has been sick I think he will recover. The  
 Stallions are doing well, I am very glad to get the  
 St. Clair lease.

I will have to write you tomorrow and enclose  
 accounts.

Oxley Manche Dec. 10th. 1883.

Dear Sir,

I have have to day vented our brand on 200

steers

- Steers and delivered them to I. G. Baker & Co. at \$55.
- per head - \$11,000. The cattle were very much scattered over the range, and to prevent driving the cows and calves, cut out as we went through. The cattle are all looking well.

- Capt. Stewart wanted the refusal of our steers for next spring at round up, which give him until Jan. 1st. 1904, guaranteeing \$40 at \$40., which if accepted would be paid for before that date Jan. 1st., I will not wait until that date whether he will accept the offer or not.

- I sold to Capt. Baker to Mr. Langton, who has a contract for Calgary and packed for seven hundred and fifty dollars - two some I have a weasel and a bay horse, one which I bought at London and Leicester, and one I bought this summer from Gummings with his wagon, to use on the drive, I think the price a very good one. We will use for ourselves the horses we have been packing.

- I expect to very soon hear of the arrangement you have made as to our bank acct. : I have had no letter since you wrote me at Winowski. The money for the steers will be with I. G. Baker until I hear from you.
- I have taken an order from Mr. Langton on Capt. Stewart for \$750. for the horses, Capt. Greizer has been urgent for the money for customs, I am going to pack to morrow to pay him, and on from there to Stand off, to see the horses and bulls, and how things are getting on.
- We have been 9 days gathering, and the weather most favorable

• favorable, beautiful days and scarcely any frost at  
 • nights, I did not think it prudent to continue the  
 • gathering any longer for should a storm have come, we  
 • would not have been able to deliver what we had gathered

you waiting for a "more convenient season". The summer was busy also the Autumn, and knowing your father would have all the news I have waited until the winter has set in.

I am spending a more pleasant and profitable winter than at Renton last January. I have my family the children are splendid company, the novelty of the place fully makes up for its quietness, and I am pleased to say they are all in excellent health.

We have built a house on the spot near where your father laid out when we walked up the bottom and had that remarkable walk across the freezing water of Willow Creek. I believe that walking was the cause of your father's trouble with his feet, while mentioning the circumstance, Mr. Hill consoled himself with the fact that had it not been for the trouble with his feet we should not have stayed over at Lupton Creek, and therefore we would not have let Higgins and Melains come and would have lost a very good bargain in fact the best made in Montana last year.

There has been very few additional settlers the past summer on the Creek (Tract) where Quin and Lindell are, quite a number are squatting taking it on the Winder & Co's lease, which fact does not improve Winder's temper, and to make it more agreeable for the settler, and I don't think such injury to the lease the Government has had his lease surveyed into  $\frac{1}{4}$  section and all available for farming purposes will be taken up. There is no danger of our grazing country being overdone with settlers, not enough of good farm-

ing

ing land a few settlers of the right stamp will be a benefit to cattle owners.

The Mines in the Rockies near Calgary have had quite a stir; they promise to be very profitable. A great many have very high expectations of the benefit it will be to the country in bringing in a large mining population, and if the mines are as successful the prosperity will be permanent.

Calgary a town on the C. P. R. V. 20 miles north from here is growing rapidly, town lots are being sold and business is getting on quite a business done there. I think it will be the next important place on the C. P. R. west of Winnipeg, in the Rockies.

As you are as well I had a long ride staying in Lethbridge last winter. It was a most disagreeable place to remain so long with scarcely anything to interest one.

When that person was dead. Joe Visiter, who got our buffalo coat, was that person in fact. He told me that he was a member of the Union of the South in a town about 100 miles.

We got Finest and Loring at Helena, they have not sold their cattle yet, they keep on raising the price. They offered for Aug. '12, for \$100,000. This October Viz, '12, he ask \$142,000 and sold \$127,750 - since they first offered them at \$100,000, which makes an advance in one year from \$100,000 to \$127,750 - an increase nearly 27.75%.

We have now a very good band of cattle of over

Sd. Alfred Fudge.

New Oxley Alberta, N. W. T., Canada,  
May 12th. 1904,

Dear Sir,

My last letter was written from St. Andrew where I was looking after the getting in the grain and re-arranging the fences. I left St. Andrew on Monday the 12th. instant, arrived at Lethbridge in time to attend the Stock Meeting, which was re-organized, a report of which is published in the Lethbridge Gazette, which I send you also a copy at hand to Latham and Mr. George Baird.

I have to mention the bad news of the death of Trapper at New Oxley - the 3 horses got to Lethbridge on Monday were seen and very much admired by the cattle men who attended the meeting. After the horses were rested over night at Lethbridge they proceeded next day for New Oxley, one man leading each stallion Goughingham taking Kettle, Mike leading Goldfinger and Ralph Halderman, Trapper all looking and feeling well - they came on slowly, when within 2 or 3 miles of Oxley, Trapper showed signs of illness - and although nothing serious appeared to be the matter he walked in and died in two hours after, he swelled up very much and was taken with severe

acute

-----

acute pains, what remedies we had were applied. The  
 loss is a very great one, being <sup>just</sup> the commencement of the  
 breeding season. The loss is a great damper to us all  
 here. The other stallions, Goldfinder and Rubble are  
 doing well. I had them taken to their new quarters New  
 Oxley Camp, about 6 miles up Willow Creek, (west of  
 Pine Coulee) the finest bottom on the range. The men  
 have all moved there - they will be more in the centre  
 of the range, nearer their work, a deal of riding will  
 be saved.

The Post office Dept. have changed the name as  
 positioned for so that our Post office is now called  
 "New Oxley". We have now Oxley Rancho the first settle-  
 ment Oxley home. There the new camp is formed should you  
 approve of these names they will be known as such. The  
 whole place being called "New Oxley". We are rounding  
 up the runs to select for the horses.

I bought a thoroughbred horse from Mr. Harris  
 of the Halifax N. S. Rancho Co. for \$110.00 he is a  
 dark brown, well up in front 11 hands 11 years old he has  
 done some racing and shows some ~~of~~ effects; should  
 give good stock as he is well bred. The reason why the  
 horse was sold, the Halifax Co. have decided to breed  
 their runs to Lorrain percherin the stallions exclusive-  
 ly.

I got the imported bulls brought over to New  
 Oxley, by the time we would get the cows and heifers out  
 out to bring over to Stand off the old Van & Footanic

rivers

-----

- rivers would be swimming and dangerous to cows and calves.
- es .

- The round up is to start on the 27th. inst. on Willow Creek, we will have the horses all ready and the mares on the way of breeding before the time . commence tomorrow to sort the mares.

- We are getting a good increase of foals. The show of calves is very promising. I think we will have a good showing the spring branding. The range has been well ridden . A strict account of dead cattle kept, 41 head of our cattle have been seen dead on the range since they came in. I consider a favorable showing especially at the close of an unusually hard winter.

- I received your letter on my arrival at Oxley.
- I enclose hereto up to March 31st. , the statement for the first quarter of the year, also an estimate of expenditure for the coming six months including April. This year is our most expensive time building and getting in cattle. The estimate requires nearly \$15,000 a portion ought to be sent immediately so that our bills may be met . If you would send me \$10,000 or about \$2,000 to pay the contracts as they are now nearly completed.
- Randall's cattle, Montana taxes and wages groceries and provisions are all urgent, I don't know of any better way than to send some bank in Toronto, to be sent on to I . G . Baker & Co. Fort McLeod, as they do all the banking for the country. There is a rumor of the Bank of Montreal establishing an Agency at Calgary.

- The blank forms to be filled out for the beef

contract

contract came too late to give an opportunity to tender  
 Those tendering do so at Ottawa. Conrad of I. G. Baker  
 & Co. Capt. Stewart and others are in Ottawa.

Dan is up in the river with 9 men getting down  
 logs. The wages paid for river driving are \$3. per day  
 and board. They are paying \$4. on the old man. The  
 timber if it comes will fence in all this place.

Capt. Hughes and others are negotiating for  
 the Winder and Co. cattle and ranche a \$90,000.00. I  
 hope the Company will decide to add more cattle to the  
 herd. With the present help ~~required~~ to look after our  
 present herd, we could do about 3,000 to 4,000 more cat-  
 tle. We could brand about 2,000 calves per annum at at  
 the same expense as at present. Now while the pasture  
 is fresh in the time to improve. Each year will depre-  
 ciate to some extent the best ranges.

I have offered one hand Sam Turk at \$20. and  
 1200 head, and Bill Johnston the same figure with 1400  
 head, and one or two smaller lot all in the section, can  
 be driven up with very little more expense with those we  
 have coming.

I wrote in my last ~~xxxx~~ of all the unpleasant-  
 ness with the men Mr. Leeds. I have your letter as to  
 his being put on wages at \$40. per month. I think from  
 what I have said to Mr. Leeds he will see it to his ad-  
 vantage to get along agreeably. There is nothing at all  
 serious, and don't wish to magnify any of our little  
 troubles. I thought it better to let you know about how  
 matters stood, Leeds will get on all right I have talk-

I came here to see about the receiving and counting the 2000 cattle. I G. B. & Co. at Whoop up. I sent Nottingham over to Montana he was at Stand off, when I got there. The crops at Stand off look very well, better than last year. We are getting the fences run into straight lines and fields in better shape. It was impossible to get anything done towards irrigating at Stand off. I have an estimate for one di ch at \$5000

The branding is over on our range, we branded 429 calves finishing July 1st. That is very good branding up to that time of year. We have 20 thorough bred bulls with about 550 of the best cows at the Forks of Willow creek two men herding. The horse band is doing very well, they take a deal of looking after.

I have written to day to several persons about the sale of steers and dry cows. We should sell over 300 from the Teton drive, and I hope so to arrange the sale that I can turn them over to the purchasers on arrival from Montana, and save a rounding up:

Capt. Stewart received 240 steers. There are ten yet due him, being early the 3 years did not show up age enough, they rejected anything doubtful in age. The remaining ten I will turn over when the cattle come in. We should brand from the Teton cattle now on drive over 800 calves.

The beef Contracts have not been let yet, and little information can be got about the matter.

I have a letter from Sol White M . P . P . ,  
 Windsor, Ontario, Canada, St. Clair Lease, he expects to  
 have it so that you will get the assignment shortly. I  
 have heard nothing about the Collingwood Lease transfer  
 I am protecting it as if ours, and preventing people  
 from cutting hay on it although I have no evidence to  
 show any claim to it. There is a very good hay bottom

Fort Macleod, 25th. May 1884.

Dear Sir,

I have just arrived here to be ready for the  
 meeting of the Stock Ass. to be held to morrow. The  
 stock men are nearly all in .

The High River outfit (Stimson and party) are  
 very much dissatisfied over the change in our district  
 The question will probably be opened up again to morrow.

If I find much opposition to our holding up to  
 Mosquito Creek I will yield , and get as much as I can  
 The head of Pine Coulede will suit as nearly as well. The  
 advantage in getting a wide scope is in the Mavericks.

I hear of several bands coming in . It is ru-  
 mored that the Walrond Company are preparing to bring a  
 in 4,000 to 6,000 more.

A . M . Davis about 1000 and several others a  
 few cattle.

I got the horse breeding started we have 145

mares

-----

mares to the three stallions. Goldfinder has 25.  
 The crops is all in at Stand Off, Cottingham  
 came over from there yesterday. The grain is all up and  
 looking well, we have very warm dry weather and need  
 rain. The logs are getting down the creek very well.  
 They are as far as "Gun Stock" bottom yesterday. The  
 water is getting low, but the expected rains will raise  
 it.

No news about the beef contract. I have heard  
 that it is divided between I. G. Baker & T. C. Power  
 of Montana. This is only rumor. I will hear definitely  
 next mail.

The grass is excellent better than this time  
 last year.

I have just heard from Jim Dunlap, who came  
 on from Dupuyner that Perks had started on the cotton  
 round up.

What is being done about the St. Clair and  
 Collingwood leases? Our home rancho is on a portion of  
 the St. Clair lease.

By next mail I will be able to report some-  
 thing about the round up. I hope we will be able to send  
 a good report of increase of calves. I counted 50 spring  
 foals, more to come.

I have the honor &c&c.

New Oxley Alberta, June 2nd. 1884.

Dear Sir,

Since <sup>last</sup> writing by mail from Macleod we held our

- Stock Meeting I would rather have had our Willow Creek range left as decided upon at our 1st meeting, but we have to submit to the majority, who decided to throw Willow Creek and High river into one district. I went from there to stand off to see about the fencing, and Rebec's logs the crop was up, but needed rain. I went from there to the horse camp the mares are being close handed - We will have a very good increase in colts. The mares have not all foaled yet. Have you had the transfer of the St. Clair lease? I enclose a copy of the location sent from the Dept. at Ottawa. Our improvements are on the St. Clair lease.

- I came in from the round up last night. The camp was at Blackf. crossing, about 10 miles North of Macleod. The cattle look well, calves plentiful, and fat. We will commence to cut out in a few days branding about the 15th. June. I have to be in Montana or send there by that time. I am going back to camp after mail goes out this morning.

- In my letter of the 3rd. May, I referred to Leeds difficulty with the men. I take talked over this matter with Leeds, and from his demeanor I hoped there was an end of the trouble. I am now of opinion that I cant do Oxley ranche Company justice and keep Leeds with the men. I paid no attention to Leeds telling the men very shortly after he came here that the object of his being

-----

being sent out to us was to learn the business, and take  
 the management, which he stated would be done in about  
 a year. I paid no attention to this as I considered it  
 idle and boyish talk, but when he interfered with the  
 men's duties and gets the camp into trouble, I must  
 draw the line.

I am going out to Cut Bank to the round up  
 this afternoon, the weather is very hot 84° in shade,  
 yesterday 81° 0 now while writing.

I have the honor to be &c&c.

Ed. John R. Craig.

A Staveley Hill Esq.,  
 Oxley Manor,

Tavistock Hotel, London, Eng. Jan. 30th. '86,

Sir,

I beg to acknowledge the receipt of your let-  
 ter of yesterday.

I deny that my letter to you of yesterday en-  
 tirely ignores the position in which I stand to my late  
 employers, The Oxley Ranch Limited as you allege. On  
 the contrary I say that you and the other Directors  
 have apparently thought fit to entirely ignore my letter  
 to you of the last instant, and the facts and explana-  
 tion therein stated, and given, and your letter of yes-  
 terday is a continuation of that policy.

As that is the course you have thought fit to  
 pursue I decline to attend the appointment you have made

for

-----

for 12. 30 p. m. to-day , and request you to make any further communications in the matter to my solicitors Messrs Hume, Bird, & Eldridge of 10 Great James Street Bedford Row, in whose hands I have placed the case to act on my behalf.

I am &c. &c.

Sd. John R . Craig.

A. Staveley Hill Esq.,

I Henry Stanley Pinhorn of the District of Alberta, Ranch Manager do solemnly declare.

(1) That I have read a copy of the declaration made by Dan McDonald in this matter.

(2) Hereto annexed is a copy of the account of said McDonald taken from the books of the Oxley Ranch Company kept by said John R. Craig, which shews that said McDonald's affidavit is untrue in stating that the work in question was done for said John R . Craig, other wise than as Manager for said Company, as both the driving and banking of the logs, the fencing and wages are charged in the ordinary way to the Company.

(3) That I have read a copy of the declaration of H . M . Cottingham made in the matter.

(4) That I believe the said Cottingham has entirely failed in his affidavit to state the full facts of the case within his knowledge, and the full conversation had between Mr. Hill and said Craig. That I am informed and believe that said Cottingham has refused to give his

evidence in this matter on behalf of the Company, and

that

-----

- that he knows and could prove material facts shewing
- that the Company paid for the work and material used in
- constructing the buildings and improvements on the land
- in dispute, and that said land and improvements were
- never intended nor made to be used other than as the
- Rancho Manager's house of the Company whoever he might
- be.

(5)

- That I have read a copy of the declaration of
- said John R. Craig made in this matter and more partic-
- ularly clauses 9, 12 & 15, and after reading the same
- I am satisfied that the said John R. Craig has from the
- first taking possession of the land in dispute fully in-
- tended to defraud the Company out of their property.
- That the books of the Company were kept by the said
- Craig, and through entries and particulars furnished by
- him to Wm. Black, and if they fail to show the expend-
- itures made on said place in a full and ample manner I
- am satisfied it is entirely due to said Craig's scheme
- to defraud the Company.

- If it be true as said Craig declares, that he
- paid money out of his pocket for a large part of the im-
- provements he entirely fails to furnish any details and
- I am satisfied cannot do so except possibly for expend-
- itures made after he suspected and knew the Company were
- dissatisfied with him.

(6)

- I further declare that the statement made in
- clause 15 of said Craig's affidavit in regard to said
- Craig making his entry before any trouble with the Com-
- pany shews on its face to me, that the statement so
- made is for the purpose of misleading the Board, and I
- declare that said Craig did know at the time of making

his

-----

his entry for the land in dispute, that trouble was brew-  
 ing between him and the Company and that the Company were  
 dissatisfied with his management and in a letter written  
 by said Craig to the Directors of the Company in London  
 while said Craig was there which letter is now before me  
 and bears date in London 12th. January 1886. He says  
 amongst other things "That- When Mr. Pinhorn first came  
 out to the Company's property on the 29th. May 1885-----  
 and it was not until then month of July that Mr. Pinhorn  
 even hinted that he held any legal authority from the  
 Company. One day however in that month when some conflict-  
 of authority took place between Mr. Pinhorn and myself  
 Mr. Pinhorn half pulled from his pocket a paper and shew-  
 ed me what appeared to be a seal and said Do you deny my  
 authority now? without stating what the document was I  
 asked to be permitted to look at the document but this  
 Mr. Pinhorn declined, and I thereupon said that under  
 those circumstances I could not recognize it. The state-  
 ment that there was conflict of authority in July 1885  
 is true and agrees with the statement made to me in my  
 former affidavit filed herein in clause (a) thereof. I  
 am satisfied that said Craig's entry was made in conse-  
 quence of this dispute. On the 1st. day of August 1885  
 and in pursuance of his designs to defraud the Company  
 and I remain satisfied that the evidence herein given and  
 cited will convince you that said Craig in this respect  
 and in clause 15 of his affidavit has attempted inten-  
 tionally to mislead this Honorable Board and has testi-  
 fied falsely in regard thereto.

(7) The letter quoted from in the preceding para-  
 graph is very voluminous and contains mostly matter for-  
 eign to this case, and for that reason only is not attach-  
 ed hereto, but can be furnished should the Board so de-  
 sire.

(8)

In paragraph (4) of said Craig's affidavit he

says

-----

• says • The premises I claim as homestead to my know-  
 • ledge have never been known as New Oxley".

• To the best of my knowledge and belief the  
 • land in question is generally spoken of as "New Oxley"  
 • and the declaration of said Black I am satisfied refers  
 • thereto, and I am informed and believe the said Black  
 • refuses to make any further affidavit herein. In a let-  
 • ter of said Craig's attached as an Exhibit to the affi-  
 • davit of A Staveley Hill Esq., filed herein, which let-  
 • ter bears date May 12th. 1885, I am informed and believe  
 • said Craig refers to the names of the Oxley property,  
 • and speaks of the whole place being known as New Oxley.  
 • This to a certain extent may be true, but the name as  
 • used in the affidavits herein refers to the place where  
 • said Craig resides, which fact I am satisfied the said  
 • Craig well knows, and that he ~~says~~ that --- is using every  
 • means in his power to mislead and confuse this Board and  
 • embarrass the Company in proving the facts in relation  
 • to the matter.

(9)

• The house in dispute is built of logs and ~~lamb-~~  
 • timber, the logs being cut and taken out of the Porcupine  
 • Hills, and the lumber supplied by different parties, and  
 • the work in getting logs out and the lumber and hauling  
 • and the work on the house and other improvements being  
 • done almost, if not entirely, by men in the employment  
 • of and paid by the Company, as I have been informed and  
 • believe, and as far as I can make out from the books of  
 • the Company.

(10)

• Attached hereto are copies of the accounts of  
 • C. F. Stevens, John Hyde, Chas Lowrie, and Al Ruther

ford,

-----

" ford, shewing the work done by them taken from the Com-  
 " pany's books, and the items being charged in the ordin-  
 " ary way to the Company, and paid by the Company as  
 " other accounts of the men. The affidavits of C. F.  
 " Stevens filed herein to the best of my knowledge in-  
 " formation and belief state the true facts in relation  
 " to the buildings and improvements in dispute. The ac-  
 " count of John Hyde shews besides other work the digging  
 " of a well on the property in dispute at a cost of \$42.00

" In addition to the wages of men the Company  
 " were at considerable expense for board and lodgings for  
 " them.

(11)

" While it may be impossible that any one could  
 " know what expenditures said Craig may have made on said  
 " premises, except himself as stated in paragraph (5) of  
 " his affidavit. It is possible and an easy matter for  
 " any one to see and find out from the books and from in-  
 " formation that the Company, not Craig, made and paid for  
 " nearly all, if not the whole of the improvements, build-  
 " ings, stables and other work done up to the time that  
 " said Craig suspected that the Company were dissatisfied  
 " with him, and intended to dismiss him sooner or later.

(12)

" Although the said premises were not completed  
 " the said Craig moved thereon in or about the month of  
 " October 1885, upon an examination of the books of the  
 " Company I find that the Company kept a stopping place  
 " for travellers at the leavings on their lease, and that  
 " the said Craig received large sums of money from this  
 " place, paid in by travellers and persons stopping and  
 " the money was received by him during the time he claims  
 " to have been at expense personally for keeping them, and

I do not believe said Craig ever accomodated persons coming to the Ranche, at his own exscense, ( except in a very few cases. ) and his own and family personal friends and not by the consent or approval of the Company-----

(13)

In regard to section 16 of said Craig's affidavit in which he says " The improvements and buildings on my homestead were never included in my annual returns; or words to that effect. It may be possible that these buildings and improvements were lumped in with other improvements and do not shew separately. But I declare that in the month of June or July 1885, I was requested by the Managing Director in London to make a valuation of the Company's property in this Country, and send to him- In pursuance of such request I with said Craig went through the Company's property. Said Craig furnishing all the details and values. Among the items furnished by said Craig to me, and put down by me in his presence as Company assets is an item entered as "Ranche Stables" Pastures & Corrals" value \$3000" - Attached hereto is the list showing the details and values of the Company's property and on the back thereof the date when taken Viz. July 17th. 1885, which is the original list taken by me in said Craig's presence and at the place in dispute and through his information and the same was approved by him. The item of \$3000 as mentioned herein refers to the premises in dispute, being the place where said Craig then resided and now resides and none other.

And I make this solemn Declaration &c. &c.  
Declared before me  
F. W. G. Hall in 4th. July 1887. Sd. H. Stanley Pinhome.

(S'g'd) F. Stanley Linborne.

I Charles Theodore Stevens of stand off in the District of Alberta, in the N. W. T. do solemnly declare -

(1)

That in the fall of the year 1883 I was working in the employ of the Oxley Ranch Company Co. and remember the time when the house for the Manager was commenced and being built at New Oxley where John E. Craig who was then Manager still resides.

(2)

The house was built of logs, cut by the men in the employ of the Company in the Porcupine Hills, some of which I myself hauled with the Company's wagons and horses to the said property. The work of getting the logs and erecting the building was largely, if not entirely done by men in the employ of the Company, among whom were John H. de, Charley Towrie and others.

(3)

After the stone work of the stable referred to in my former declaration was finished the stable was framed and finished by Al. Petherford, and one Harvey Bruce, who was working with him in the spring or summer of the year 1884.

(4)

In the fall in or about the month of November and December 1884 an addition was built to said house occupied by said Craig. The work again being done by said Petherford.

And I make this solemn declaration &c. &c.  
Declared the 25th. April 1887 before  
F. W. G. Haulbain

Sd. C. F. Stevens.

I Duncan J. Campbell of the town of McLeod in the N. W. T. Sheriff, make oath and say-

That

(1) That in the month of May A . D . 1885, I was  
 acting as Deputy Sheriff at Fort Macleod and there were  
 at that time executions in my hands against the personal  
 property only of The Oxley Ranche Company (Limited) un-  
 der which I had instructions to seize Mr. John R . Craig  
 the manager of the said Company at that time, came to  
 see me and asked me in making ~~the~~ seizure, if I would  
 not instead of levying on the cattle and horses seize in  
 the first place the house and property occupied by him  
 but whether for the purpose of buying it in at any sale  
 which might be held or not I am unable to say.

(2) The house and improvements and enclosed pas-  
 ture where the said John R . Craig now resides and re-  
 sided at the time mentioned <sup>above</sup> including as I am informed  
 and believe part of the lands in question are commonly  
 known as (New Oxley) , and I have always understood the  
 name " New Oxley " to be applied to the same.

And I make this solemn declaration &c. &c.

Declared before F . W . G . Haultain

the 20th . April 1887. Sd. Douglas J . Campbell.

I Charles Theodore Stevens of Stand off in the  
 District of Alberta in the N . W . T . Teamster do sol-  
 emnly declare

&  
 That in the years 1883, 1884, 1885 , I was em-  
 ployed from time to time by the Oxley Ranche (Limited)  
 principally as teamster under the orders and directions  
 of their Manager John R . Craig.

I am well acquainted with the property known  
 as New Oxley namely the enclosed pasture, house, stable  
 and

and other improvements now occupied by said John R .  
Craig.

In or about the year 1884, one Dan Macdonald  
had the contract with the Oxley Ranch (Id) to drive tim-  
ber and logs for purposes of said improvements .

A large quantity of logs and rails were driven  
down and banked on the Company's property at the leav-  
ings of Willow Creek about a mile below the land in ques-  
tion- These logs and rails were mainly used in fencing  
the said enclosed pasture and on the improvements before  
referred to at New Oxley, and also in making improve-  
ments on the property at the leavings.

While I was so employed as teamster and with  
the Company's horses and wagons by the directions of  
the said John R . Craig I hauled too new oxley to be  
used on the land in question a large quantity of timber  
and building material from Calgary, logs from Trout  
Creek , and timber purchased by the Company from the  
North Western Coal and Navigation Company from their  
mill at Fort Macleod, a large part of which was used to  
the best of my recollection and belief in the erection  
of said house and stable .

The stable in question is mainly built of the  
stone quarried and hauled by men in the Company's em-  
ploy , and with the Company's horses and wagons.

The enclosure referred to was made for and used  
by the said Company as a pasture for horses cattle and  
bulls &c. from time to time during the years 1884 and  
1885.

And I make this solemn declaration &c. &c.

declared the 23rd<sup>th</sup> Feb. 1887 before

F . W . G Haultain

Sd. C . T . Stevens.

▪ I Howard Fraser Greenwood of the Town of Jeth  
▪ bridge in the N . W . T . do solemnly declare- -

▪ That I am accountant for and have a general  
▪ supervision of the business of the North West Coal and  
▪ Navigation Company (Limited)

▪ In the months of September 1884 Mr. John R .  
▪ Craig who was then Manager of the Oxley Ranche Company  
▪ as I was informed and believed , came to me and ordered  
▪ a bill of luster on behalf of the said Company, amount  
▪ ing in all to the sum of \$225.94 .

▪ The said Craig informed me that this <sup>lumber</sup> was  
▪ required for a residence which was being built for him  
▪ and directed me to charge the same and to render the  
▪ account to the Oxley Ranche Company, which I did, and  
▪ said account has since been paid by said Company, and I  
▪ make this solemn declaration &c. &c.

▪ Declared the 15th. day of May 1887

before C . A . Magrath

Sd. H . F . Greenwood.

▪ I Charles Douglas McCaul of the Town of  
▪ Macleod in the N . W . T . do solemnly declare.

(1)

▪ That I have read the declaration filed herein  
▪ by John R . Craig herein in which he states that I am a  
▪ bitter personal enemy of his and that the assertions in  
▪ my former declaration herein were made knowing them to  
▪ be false - both of which statements I deny.

(2)

▪ At the time the Writs of Executions referred to  
▪ were in the Sheriff's hands I was unaware that there was  
▪ any question or dispute between him and the Company in

regard

-----

regard to the said land, but said Craig was anxious lest  
 the house occupied by him and his family should be seized  
 by the Sheriff, though the said Writs were against  
 the personal property of the Company, and I think I did  
 tell the said Craig that if the property were his private  
 property it could not be seized in any case on any ex-  
 ecution against the Company on representations to me  
 that the Company had agreed with him that the property  
 should be his private property and that the Company had  
 no claim to the land in question or to the improvements;  
 but I afterwards ascertained that such representations  
 were untrue, and that no such arrangement had been made  
 by the Company, but on the contrary that the Company  
 claimed that the said Craig in making entry for the  
 property which had been improved by them as a residence  
 for the Manager and of which he was in possession on  
 their behalf had been guilty of fraud.

And I made my former declaration herein con-  
 scientiously believing that the true facts in regard to  
 the matter as set out therein, and that the assertions  
 therein made were true in substance and in fact.

And I make this solemn declaration &c.

declared before F. W. G. Haultain

the 11th. May 1887. Sd. C. C. McCaul.

On the 22nd. January the following declaration  
 was filed at Ottawa: -

Charles Coursoiles McCaul of the Town of Mc-  
 Leod in said territories, Advocate do solemnly declare:-

(1) That I am the Advocate for the Oxley Rancho  
 (Limited) a Company incorporated under the laws of Br-

land and carrying on the business of cattle ranching in the District of Alberta. -

(2)

That in the year A . D . 1883, One John R . Craig was Manager for the said Company in the said District, and had control of their property and effects and continued in the said position and with said control up to the 4th. day of September A . D . 1885.

(3)

The Company's operations were being carried on in certain tracts of land on and about Willow Creek, acquired by Alexander Staveley Hill, and George Baird, respectively, both Directors of the said Company, and held by them for the purposes of the said Company on the recommendation and advice of said John R . Craig as I am informed and believe.

(4)

Among the lands so acquired by the said Alexander Staveley Hill, and held by him in trust for the said Oxley Ranche (limited) were all the portions south of the Willow Creek of Township 13 in Range 13 West of the 4th. principal meridian aforesaid acquired as I am informed and believe by assignment from certain persons styling themselves the Collingwood Ranche Company of a lease thereof for a term of 21 years from the Crown; and among the lands so acquired and held by said George Baird were all the remaining portions of said Township being the portions North of Willow Creek, and held by said Baird under a lease from the Crown to Solomon White, George Wright and the said George Baird, styling themselves the St. Clair Ranche Company, and an assignment of the interest of said White and Wright to said George Baird.

(4)

In the year 1883, and acting on the recommendation and advice of the said John R . Craig, their Manager the Oxley Ranche (limited) caused a large portion of the said Township 13 to be enclosed by a substantial fence

▪ fence at considerable expense to said Company for the  
 ▪ purposes of their business, including parts of the  
 ▪ North west and South West quarters of Section 13, and of  
 ▪ the N. E. and S. E. quarters of Section 14 in said  
 ▪ Township, as shown on the map made by C. E. Wolff, a  
 ▪ Dominion Lands Surveyor, a true copy of which is hereto  
 ▪ ~~attached~~ — annexed marked "A".

(5)                ▪ the Company further caused at their own pro-  
 ▪ per costs and expenses extensive and permanent improve-  
 ▪ ments to be made on the N. E.  $\frac{1}{4}$  of said Section (14)  
 ▪ being the lands in question consisting of a large and  
 ▪ substantial house, large stable and other outbuildings  
 ▪ the conduct of such improvements and expenditure in  
 ▪ connection therewith being under the management of the  
 ▪ said John R. Craig.

(6)                ▪ The land in question was entered upon and tak-  
 ▪ en possession of in the year 1883, by said Craig, act-  
 ▪ ing for and on behalf of the said Oxley Ranch (limited)  
 ▪ and the said Oxley Ranch (limited) through their Man-  
 ▪ ager John R. Craig remained in possession at the date  
 ▪ of the proceedings in the next paragraph mentioned.

(7)                ▪ In the year A. D. 1885, the said John R.  
 ▪ Craig and the said Oxley Ranch Company had certain  
 ▪ disagreements, and on the 1st. day of August 1885, the  
 ▪ said John R. Craig as I am informed and believe made  
 ▪ a homestead entry at the Dominion Lands Office in Cal-  
 ▪ gary for the N. E.  $\frac{1}{4}$  Sec. 14. Tp. 13 aforesaid (being  
 ▪ the lands improved by the said Oxley Ranch Limited, as  
 ▪ above set out and the greater part of which are included  
 ▪ in the inclosure before mentioned as shown on said  
 ▪ plan) with the fraudulent design and intent as I verily  
 believe

-----

believe of depriving the said Company of their land and  
 of obtaining the benefit of the extensive improvements  
 thereon for himself, and without the knowledge or consent  
 of said Oxley Rancho (limited) Alexander Staveley Hill  
 or George Baird or any or either of them as I am inform-  
 ed and believe.

(8)

On or about the 14th. day of September A . D .  
 1885, the said Craig was dismissed from his position as  
 Manager for the said Company, and on the 23rd. day of  
 September 1885, I caused a letter a copy of which is  
 hereto annexed marked "B" to be sent to said Craig, and  
 on the 14th. day of April 1886, I caused the letter a  
 copy of which is hereto annexed marked "C" to be sent to  
 said Craig, but said Craig neglected to deliver up pos-  
 session of said land as therein demanded.

(9)

On the 12th. January 1887, I first obtained  
 knowledge that said Craig had been recommended for pat-  
 ent for said land to Local Agent at Calgary.

And I make this solemn declaration &c. &c.  
 declared the 13th. day of  
 January 1887, before F . W . G . Paulain. Sd. C . C . McCaul.

(B)

Sd. C . C . McCaul.

▪ Solicitor - Oxley Rancho (Limited).

On the 29th. of September , the following declarations were filed :-

▪ John R . Craig of New Oxley in the District of  
 ▪ Alberta, Rancher do solemnly declare:-

(1)

▪ That it was agreed between Mr. Staveley Hill  
 ▪ and myself in September 1882, that in consideration of  
 ▪ my bringing my family to the North West , the Oxley  
 ▪ Rancho (Limited) would make improvements on my homestead  
 ▪ for me .

(2)

▪ That in bringing my family from a comfortable  
 ▪ home in Ontario at that date I was sacrificing them and  
 ▪ incurring serious expenses and it was solely on the  
 ▪ strength of the promise then made and in the belief that  
 ▪ the Company would help me to provide a comfortable home  
 ▪ for them that I was induced to bring my family to the  
 ▪ North West .

(3)

▪ That I absolutely deny Mr. Hills st

- that the property in question was ever intended to be
- the property of the Company and the residence of their
- Manager.

(4)

- That the second clause of the affidavit of Mr.
- Hill sworn to on the 25th. March 1887, is misleading in-
- as much as it speaks of the bottom on Willow Creek as
- being all taken up by the Company by its purchase from
- Kuntz, whereas the said bottom extends <sup>for several</sup> up and down Wil-
- low Creek and the property occupied by Kuntz is at least
- one mile and a half distant from the property in ques-
- tion herein and the names "The Leavings" and subsequent-
- ly "New Oxley" have been indiscriminately applied to the
- locality without any reference to any particular prop-
- erty.

(5)

- That the purchase of the Kuntz property was
- made by ~~him~~ <sup>me</sup> in August 1882, and not by Mr. Hill, and was
- in the first instance made by me for my own private use
- and I here to attach the agreement of sale between Kuntz
- and myself. That purchase was made by me before the
- subject of making a cow camp on Willow creek had ever
- been broached <sup>and before the said agreement was made</sup>, and before any locality had been select-
- ed as the site of any camp of the Company.

(6)

- That at that date and before Mr. Hill's first
- visit to the North West I had already decided to take a
- homestead in the vicinity of the "Leavings".

(7)

- That the purchase from Kuntz included besides
- homestead and pre-emption rights other property to the
- value of \$700. the hay alone being valued at \$300.

(8)

- That afterwards on Mr. Hill's expressing a de-
- sire to establish a camp at the Leavings, I transferred
- the contract with Kuntz to him, and Kuntz's house was

used

used as Rancho head quarters during the following winter and spring.

(9) After transferring the Kuntz property to the Company I selected the property in question herein as my own homestead and pointed it out to Mr. Hill and the only act done by him in connection with choosing the homestead or selecting the site for my house was by turning a sod on the spot I pointed out to him and saying "Craig, I will turn the first sod on your homestead"

(10) That I settled on the property in question prior to the granting of the St. Clair lease, which was subsequently acquired by the Oxley Rancho Company.

(11) That subsequently not knowing the date of the St. Clair lease and having been in correspondence with Solomon White, the representative of the owners of the lease, I asked him for leave to settle on the lease, which he granted and subsequently ratified by a letter a copy of which is attached to my former declaration herein.

(12) That I made entry for the land in question under the written consent of Solomon White, although as an original settler my right to an entry was prior to the lease, and my entry was made before the St. Clair lease was purchased by the Oxley Rancho Company.

(13) I admit that in making improvements I sometimes employed Company's men and horses and material but this was done with the knowledge and consent of Mr. Staveley Hill and in pursuance of the agreement made between us and in the fall of 1884, in the course of conversation held between us I referred to the amount of labour and material expended on my house and Mr. Hill

replied

-----

replied that that was all right as it was quite counter balanced by my expenditure in my house on behalf of the Company and was what he <sup>had</sup> agreed to do if I brought my family to the country.

(14)

I deny that I gave any valuation of the property in question to Mr. Pinhorne as asserted by him in Paragraph 13 of his declaration filed herein. The items referred to by him were the various ~~houses~~ houses or cow camps of the Company including the Kuntz Property ~~in~~ and the property in question herein was not included in such valuation and was not even mentioned between us.

(15)

In the month of August 1886, on going over the Company's accounts with Mr. Pinhorne he objected to item \$7<sup>49</sup> for paints and oils used on my house, which according to agreement I <sup>had</sup> charged to the Company, saying that he did not think I ought to charge the Company with paint for my house.

(16)

That I have actually expended on the said property the sum of \$2094.<sup>89</sup> and I hereto attach an account showing the items which I solemnly declare to be true.

(17)

That the said account does not represent my whole expenditure for improvements as I have kept no regular account and have expended a considerable amount of which I can furnish no items.

(18)

That at the time of making my entry there was no trouble between me and the Company nor so far as I was aware was any trouble growing as alleged in the 6th. paragraph of Mr. Pinhorne's declaration of 4th. July, 1887.

(19)

That Mr. Pinhorne only came to the North West

in

in May 1885, and can only have a hearsay knowledge of anything that took place prior to his arrival in the North West, and that his declaration only states that he is informed and believes certain facts without stating the sources of such information and contains general charges of fraud against me which are in no way supported by the evidence filed herein and which I heresolemnly declare to be false.

(20)

I positively deny the statement made by Charles T. Stevens in his declaration of Feb. 23rd. 1887, that the pasture on the land in question was used for horses and cattle of the Company, and say that the said pasture was never used for such purposes but was always held and used as my private property.

(21)

The lumber purchased from the North western Coal and Navigation Company was mainly used on a building at the Oxley Saw Camp miles up Willow creek from my house and was also used on other buildings of the Company including the Kuntz house and stable at the Leavings; some of it was no doubt used on my house but only a small portion.

(22)

That the numerous charges of fraud, misconduct and drunkenness made by Mr. Stealey Hill are utterly false and foreign and impertinent to this claim in question.

(23)

that I am about to bring an action against the Company for wrongful dismissal and for money due me by them to me and a manifest injustice will be done to me if ex parte and general statements regarding my character and conduct are allowed to influence the Board in their decision in this matter.

(24)

I repeat that the land in question was settled  
 upon, improved and entered for me in good faith and for  
 my own private use and possession long before the Oxley  
 Rancho Company acquired the St. Clair lease, and it was  
 never my intention or the intention of Mr. Hill as ex-  
 pressed to me that the Company should have any claim  
 whatever to the said property.

And I make this solemn declaration &c. &c.

Deposited the 20th. Sept. 1887.

before F. W. G. Main. Sd. John R. Craig.

In continuation of my statement under affi-  
 davit made yesterday at Fort Macleod. I further affirm  
 that the statement made by A. S. Hill is untrue Viz:-

Craig called upon me at my residence in Staf-  
 fordshire informing me that he had heard of my intention  
 to start a cattle ~~panche~~ Company offered himself as wil-  
 ling by himself and his friends to take a share in the  
 Company and to undertake the management &c.

(2)

I met Mr. Hill at his own request, I had heard  
 at that time commenced a Cattle Co. Known as the Domin-  
 ion Live Stock Co. and was in England for the purpose  
 of raising capital. Hill discussed my scheme, and after  
 going over the work I had done in promotion of the Com-  
 pany said - I will give your enterprise support, but  
 I could not undertake anything with business men, I would  
 only take it up with noblemen and gentlemen. If you  
 will withdraw your Company from those people who have  
 agreed to join you, I will get all the Capital you want  
 through my connection with noblemen and gentlemen.

Through

- through Mr. Hill's representation and promises I agreed
- Hill has not kept his word nor fulfilled his agreement
- his dealings with me and the Company have been dishonest

(3)

- Hill sent his nephew H. S. Pinhome from
- England to supplant me and I am bringing suit against
- the Company in consequence of Hill and Pinhome's fraud-
- ulent conduct.

(4)

- I sent a letter (annexed) September 7th. 1886
- addressed to the Directors of the new Oxley (Canada)
- Rancho Co. Id. which has reference to Mr. Hill's dealings
- with the cattle ranching, Genesee- business.

- And I make this solemn declaration &c. &c.

27th. September 1887.

Sd. John R. Craig.

Gentlemen,

- In a prospectus of the new Oxley (Canada)
- Rancho Company, which has been published in London, I
- see four names among the new Directors.

- It is only reasonable to suppose that the directors
- who are held responsible for the statements con-
- tained in the prospectus would make themselves acquaint-
- ed with all the facts before presenting them to the Pub-
- lic.

- I cannot express how surprised I was when I
- read the statement made to induce the Public to purchase
- shares in this Company.

- I commenced the whole business, was Manager
- from 1882, to 1886, when Mr. Staveley Hill sent his nep-
- hew Mr. Pinhome to take charge.

- I will point out how untrue some of these state-
- ments in the prospectus are take the following:

- The Rancho was established in 1882, and has
- been

been carried on by a private Company of which the Earl of Jathom, A Staveley Hill Q. C. M. P. and Mr. George paid are the largest <sup>share</sup> holders.

The business of this Rancho having been proved during its conduct by the private Company to be a highly lucrative and successful one, it has now been arranged to transfer it to a Public company so as to enable the different interests to be determined and the affairs of the private Company to be closed.

The Rancho was ~~successful~~ in 1882, and began under every prospect of being highly lucrative and successful, until the above named gentlemen failed to supply money to carry on the affairs of the Rancho. The consequence was, that in the 18 months preceding the issue of the prospectus, there were nine executions in the hands of the Sheriff against the Company; 4 seizures by the Sheriff, and one Sheriff's sale of Oxley Rancho horses and cattle.

The business of the Rancho was carried on by paying one percent per month interest added monthly on very large sums of money owing to shopkeepers and others in this Territory, and only paying in nearly every instance after very large costs had been incurred. The largest and most important purchases of cattle were made on credit and only paid for when the Sheriff had all the Oxley Rancho property seized and advertised to be sold.

If you desire further information or corroboration to my statements, I can send you copies of letters written from time to time to the Earl of Jathom Mr. Staveley Hill, and Mr. George paid, shewing that

not

not only was the business of this ranche, in consequence of the conduct of the private Company, neither highly lucrative nor successful, but notoriously disgraceful and dishonest.

Again the prospectus states:-

The herd numbers 11,129 head, for the protection of the Company, however, the herd is to be purchased as containing 10,000 head only, at the price of \$45. per head which numbers the vendors guarantee and will make good any deficiency.

|                               |            |
|-------------------------------|------------|
| Herd 10,000 as above at \$45. | \$ 450,000 |
| Horses 600 at \$70            | 42,000     |
| Rancho buildings and outfit   | 40,000     |
|                               | -----      |
| \$ 110,000                    | \$ 532,000 |

These are moderate prices and readily obtained in the same district for cattle and horses of equal or less.

This statement of property and value is so untrue that it seems incredible to me and to many well informed stockmen in this District, that Lord J. J. Hill and Mr. Baird should attempt such notorious dishonesty, it is however, in keeping with their conduct under their private management.

The prospectus further states:

The Directors entertain the highest opinion of the prospects of this Company, and believe the shares form a safe and lucrative investment.

The Directors are entitled to their own opinion, but it is pretty well known fact in this district that the vendors who are the promoters of the Company are over estimating the value of the property of the Oxley

Rancho  
-----

Ranche (Limited) by £ 55,000, or quite double what it is really worth or what any prudent business man, or Company on investigation would pay for it. What I state is not merely my opinion - cattle can be counted - buildings can be inspected, I am stating facts upon this matter; particulars of every statement can be obtained as to the value of the property.

I feel it incumbent on me to call your attention to the above facts, and I trust you will assist me in having this matter represented to a **who** have been led to invest in shares of the New Alex. Canada Rancho (Limited) it is a duty shareholders owe to themselves to fully investigate this matter.

It has been truly said that cattle ranching, owing to its profitableness can stand more bad management than any other business, it offers one of the most inviting fields to the capitalist, but unfortunately, it is an enterprise which sometimes is made use of by schemers who have no regard for honor nor integrity. *This letter is but the beginning of what I have to say.* I am gentlemen &c. &c.

Henry Keintz of Alberta, in the N. W. T. of Canada rancher, formerly of the Leavings of Willow Creek do solemnly make oath and say:-

That in the end of August in the year 1882, I

sold

- sold to John R. Craig, individually, and not as Manager
  - of the Oxley ranche company all my interest as a squat-
  - ter on certain land at The Leavings of Willow Creek in
  - the Fort Macleod District and improvements on the said
  - land for the ~~same~~ of six hundred dollars, and I at same
  - time sold him certain goods and chattels making the
  - whole amount of the sale to him of thirteen hundred and
  - thirty dollars.
- (2)                   ▪ This was at the time that I knew nothing of A.
- S. Hill or the Oxley ranche, and knew nothing of the
  - latter until about a month afterwards.
- (3)                   ▪ That I took up said ranche in the year 1882,
- short time before I sold out to Mr. Craig aforesaid.
- (4)                   ▪ That shortly after the said sale I went with
- Mr. Craig and Mr. Cunningham up Willow Creek to select
  - a place for Mr. Craig to build on for his family, and
  - Mr. Craig then selected the present site he now occupies
  - for a homestead for himself.
- (5)                   ▪ In selling out my rights as a squatter I more-
- ly sold out my right to select 160 acres as a homestead
  - and 160 acres as a pre-emption not knowing the exact
  - ground I should have, as no surveys had then been made
  - but whatever ground my homestead and pre-emption would
  - cover, to such land I sold my right.
- (6)                   ▪ The place where Mr. Craig has built on being
- the place selected by him with me as aforesaid is about
  - one mile from the claim he purchased from me as aforesaid.
- (7)                   ▪ I understood that Mr. Craig selected the
- place he desired to build on as a homestead for himself
  - and family.
- And I make this solemn declaration &c. &c.

John R. Craig,

He R. E. 4 Sec. 14. Tp. 13 N. 28 W 4 M.

Account referred to in paragraph 16 of the declaration  
of John R. Craig made before me this 20th. Sept. 1887.

Sd. F. W. G. Haultain.

Notary Public.

I Harvey Bruce of the Porcupine Hills in the District of Alberta, Rancher do solemnly declare, that in the year 1886, during the month of June I worked as a Carpenter on the house now occupied by John R. Craig, and situated on the property in question, in this matter that at the conclusion of my work I was entitled to the sum of \$28.75: that having also done some work at the cow camp of the Oxley Ranch, Limited, I asked for payment of the said \$28.75 from H. Stanley Pinhome, the Manager of the Ranch, and he refused to pay the account saying, that the work claimed for was done on John R. Craig's house, and that he would not pay it; that afterwards I sent the account to John R. Craig, and it was paid to him, and I make this solemn declaration &c. &c.

Declared the 12th. September 1887

before F. W. G. Esq. in.

Sd. Harvey Bruce.

I Herbert Morris of Willow Creek, in the North West Territories, Rancher, do solemnly declare -

(1)

that the former declaration herein stated all the facts within my knowledge relating to matters mentioned therein.

(2)

that the fourth paragraph of Henry S. Pinhome's declaration made herein on the 4th. July 1887, is untrue, that I never refused to give evidence on behalf of the Company in this matter, but after a long conversation with G. C. McNaul, the Company's solicitor, I told him that any evidence I could give would be adverse to the Company, and he therefore decided not to take my evidence.

(3)

That I do not know and cannot give material

facts

facts relating to the work and material used in the build-  
 ings on the land in question herein, and that the Com-  
 pany paid for the same as alleged by Finterne in the  
 said paragraph of his declaration, and so far as my  
 knowledge of the facts concerning the ownership of the  
 said property is concerned I always believed that Mr.  
 Craig was holding the property for his own personal and  
 private use, and I was further aware that Mr. Staveley  
 Hill had consented to or was aware of that fact from the  
 conversation related in my former declaration such being  
 in .

(4)

That while I was in the employment of the Com-  
 pany, as estate Foreman from about July 1922, to April  
 1923, the pasture on the land in question was never used  
 as a pasture, for German, horses, cattle or bulls, and  
 the stable, and corrals were always reserved  
 to remain Mr. Craig's private property.

And I make this sworn declaration before me.  
 declared the 10th. September, 1927.

before F. W. G. MacLean. Sd. H. E. Cottonham.

On the 4th. of November 1927 the following  
 letter was received :-

North West Territory. } In the matter of the North  
Do Wit } East quarter Section 111  
Township 13 Range 28  
West of the fourth principal  
meridian in the District of  
Alberta

I Charles Courvelles McPaul of the  
Town of Macleod in said Territories  
Advocate do solemnly declare

1. That I am the advocate for the  
Oxley Ranch (Ltd) a company in  
incorporated under the Laws of England  
and carrying on the business of cattle  
ranching in the District of Alberta.
2. That in the year AD 1883 one John  
R Craig was Manager for the said  
Company in the said District and had  
control of their property and effects,  
and continued in the said position  
and with said Control up to the 11th  
day of September AD 1885
3. The Company's operations were being carried  
on on certain tracts of land in and  
about Willow Creek, acquired by  
Alexander Stavelly Hill and George  
Baird respectively, both directors  
of the said Company, and held by them  
for the purposes of the said Company  
on the recommendation and advice of  
said John R Craig as I am informed  
and believe
4. Among the lands so acquired by the  
said Alexander Stavelly Hill and  
held by him in trust for the said

Oxley Ranches (Limited) were all these portions South of Willow Creek of Township 13 in Range 28 west of the fourth principal meridian aforesaid acquired as I am informed and believe by assignment from certain persons styling themselves the Coltingwood Ranches Company of a lease thereof for a term of years by one year from the Crown; and some of the lands so acquired and held by said George Baird were all the remaining portions of said Township, being the portions North of Willow Creek, and held by said Baird under a lease from the Crown to Solomon White, George Wright and the said George Baird styling themselves the St Clair Ranches Company and an assignment of the interest of said White and an assignment of the interest of said White and Wright to said George Baird.

4. In the year 1883, and acting on the recommendation and advice of the said John R Craig their Manager, the Oxley Ranches (Limited) caused a large portion of the said Township 13 to be inclosed by a substantial fence at considerable expense to said Company, for the purposes of their business, including parts of the North West and South West quarters of Section 13, and of the NE and

S.E. Quarter of Section 14 in said Town-  
ship, as shown on the map made by  
C. E. Wolff a Dominion Lands Surveyor,  
a true copy of which is hereto annexed  
marked "A".

5. The Company further caused at  
their own proper costs charges  
and expenses extensive and per-  
manent improvements to be made  
on the North East Quarter of said  
Section fourteen (14) being the lands  
in question, consisting of a large  
and substantial house, large stable  
and other outbuildings the conduct-  
and other improvements and expenditures  
of such improvements and expenditures  
in connection therewith being under  
the management of the said John R  
Craig.

6. The land in question was  
entered upon and taken possession  
of in the year 1883 by said Craig,  
acting for and on behalf the said  
Oxley Ranch Limited, and the said  
Oxley Ranch Limited, through their  
Manager John R Craig remained  
in possession of the said land,  
and were so in possession at the  
date of the proceedings in the next  
paragraph mentioned.

7. In the year A.D. 1885 the said  
John R Craig and the said Oxley  
Ranch had certain disagreements,  
and on the 1st day of August 1885 the  
said John R Craig as I am informed

and believe made a homestead entry at the Dominion Lands office in Calgary for the North East quarter section fourteen Town ship thirteen. aforesaid. (being the lands improved by the said Odey, Rancho Limited as above set out and the greater part of which are included in the inclosure before mentioned as shown on said plan) with the fraudulent design and intent, as I verily believe, of depriving the said Company of their land and of obtaining the benefit of the extensive improvements thereon for himself, and without the knowledge or consent of said Odey, Rancho (Limited) Alexander Staveland Hill or George Baird or any or either of them as I am informed and believe

8. On or about the 11<sup>th</sup> day of September A.D. 1885 the said Craig was dismissed from his position as manager for the said Company, and on the 23<sup>rd</sup> day of September 1885 I caused the letter a copy of which is hereto annexed marked "B" to be sent to said Craig and on the 14<sup>th</sup> day of April 1886 I caused the letter a copy of which is hereto annexed marked "C" to be sent to said Craig, but said Craig has neglected to deliver up possession of said lands as

therein demanded  
9. On the 12th January 1887 I first  
obtained knowledge that said Craig  
had been recommended for patent  
for said land by Local Agent at  
Calgary.

And I make this solemn declaration  
conscientiously believing the same to  
be true, and in view and by virtue  
of an act passed in the 27th  
year of Her Majesty's Queen entitled  
an act for the suppression of  
perjury, perjury and voluntary  
oath.

Sir

In further reference to John H. Craig's application to purchase the S.E. 1/4 of Sec. 20 T. 4. I have the honor to report through you to the satisfaction of the District.

He called on me yesterday and stated that in 1882 he selected this place and in June 1883 he commenced erecting a building and since his family commenced residence in June 1883 and has resided in it continuously since - that is on S.E. 1/4 of Sec. 20 T. 4.

He made his application to be in at Fort Macleod in 1884 and has since received his recommendation for patent.

It is stated the Prairie Branch Coy. suppose institution legal proceedings against Mr Craig to set aside his title to the land on the ground of fraud, that he acquired this as manager of the Prairie Branch Co. that the building and improvements were made by that Company and that through his evidence and such improvements title should accrue to that Corporation and not to Mr Craig. This Mr Craig denies in toto and it is a matter that must be left to the Courts to decide and is more

A. D. Smith has mentioned here that you may be interested in considering this two principles I don't know that it has much to do with hearing thereon.

The sketch enclosed shows approximately  
the position of said instrument.

All that portion of this tract  
was, for a long time, included in  
what was known as the "Hundred  
Cov." which in 1870 was acquired by  
J. C. Hanchard. For a date of said  
acquisition - the said state is in  
possession in his individual capacity  
as a man and said instrument there  
he is entitled to purchase that part  
of sec. 3 lying between the line of  
the date of such acquisition can be  
ascertained at D. C. The date given in  
this as to the said instrument are  
believe correct. That portion of the land  
lying east of section 36 and west of  
the St. Louis branch of the St. Louis  
and San Francisco river is  
understanding shown to be the land of  
the St. Louis and San Francisco  
branch of the river and the  
St. Louis and San Francisco  
branch of the river.

The said state is in possession  
of this portion before said was granted  
and further his claim on a certain  
part of the land a certain part  
which is enclosed showing the same  
before said issued and further that  
that is, as covered in his claim.

The survey of this tract was  
made in the year 1863. The said  
instrument was before survey and at the  
date he made his D. C. entry for S. 3 & 4, and  
he applied to prevent the same.

he would have obtained same. At that time it was not of such vital importance as he now considers it.

His son, W. F. Craig, has, I understand leased Lps 13, 18, 20 & 27 on which there is no water and Mr Craig states if he can obtain this in connection with his coal lease, he will be able to make the capital in England - purchase two first class mares and import from England & Ireland the necessary stallions, & so to embark with freedom horses for local purposes. The outcome of the first of the Colonel's Bazaar will & children decide the last summer who came out on that occasion at the instance of the Federal Army authorities.

If it should be decided to entertain favorable Mr Craig's application, I would recommend a trip to chains in which he returned from the S. side of the lake. It is the only place where there is water.

The land is only for the purpose of recommendation he be sold at \$200 each all that section of the Lps 13, 18, 20 & 27 except East of Yellow Creek, except the S. E. corner of L. 20. If it be decided that Craig's rights to that section of L. 20, 27, 20 & 27 West of Yellow Creek, are entirely to stand in Stanley Hill, then I recommend under the circumstances all the Lps excepting the S. E. corner.

It will be his son's lease on connection

with this claim it would I think be  
advisable to have it account all of the  
except the 1st. & 2nd. which should  
be returned.

I. Smith. - Perhaps the account in  
the notice of the trial that this would be  
held in June for say the year. and if  
at any time within that period he  
could catch the chance of his being  
to look or care for what he would  
have chance to do. & if he  
would be able to have a meeting the  
1st. & 2nd. of the same  
all of which is substantially correct.

Dear Mr. Penner:

I have your unofficial li of the  
letter 2<sup>d</sup> 182113 in reference to the  
Craig matter.

The way the case presents itself  
to me is simply this: It is the  
intention of the land that in person it all  
make entry for land improved or  
occupied by some one else and the  
affidavit ~~that~~ which the entrant makes  
before receiving his later receipt  
is supposed to preclude him from  
saying so.

Now if Craig swore there were  
no improvements upon the NE 1/4  
14. 13. 28 W 4 M and if he got the  
entry on the faith of his statement  
I cannot very well see how we  
can refuse to take action in the  
matter. When it is charged that  
there were at the time improvements  
on the land not owned by Craig;  
that Craig was aware of the fact  
and, in short, made a false  
statement in order that he might  
secure ~~the~~ <sup>and also</sup> the land ~~used~~ the

21-4-2  
14-1-2

improvements which had been made at the Expense of some one else.

For these reasons it seems to me that  
the duty of the <sup>skept</sup> government is, <sup>not alone</sup> ~~any~~,  
to ~~restrain~~ withhold issue of the patent  
<sup>up</sup> in doing this ~~also~~ we are not  
giving ~~the~~ <sup>the</sup> ~~Orley Co.~~ <sup>Orley Co.</sup> opponents an opportunity  
of redress by appeal to the Courts  
for, as I understand it, the Courts  
refuse to adjudicate upon disputes as  
to the ownership of unpatented lands.

I really cannot see that we can reasonably refuse to go into the thing fully and decide it and we have I think no right to enquire into the motives of the Orley Co in pressing their case; there is as yet no evidence that they are actuated by personal animosity to Lewis.

If things were possible through  
an appeal to the Court I would be  
very glad to indeed to have the matter  
for legal settlement: perhaps you  
overlooked the fact that will not  
take action by any county

I have received your certificate & heard nothing more until a letter dated Feb 1st which arrived Feb 22 - informing me that I had to go to the Surveyor's office and one by Mr. Black had been and seeing that on my part I had done some of the work. I have seen the work Mr. Tracy  
has had done to save the said buildings  
from being washed away which has  
been a large outlay at his expense -  
and I know that but for such work  
the stream would have cut the bank  
away causing the destruction of the  
buildings.

And I know that Mr. Tracy has  
been to great expense in the improve-  
ment of the homestead both in  
furnishing the house and erecting  
conals etc

I William Black of the Town

declare

that I was employed by John. K.  
Craig Manager Oxbay Ranch (limited)  
from the month of \_\_\_\_\_ AD 1888  
for the purpose of keeping the accounts  
and books of said Company, under  
the instructions and supervision of  
said John. K. Craig, and did so  
keep the said books and accounts  
from the \_\_\_\_\_ day of \_\_\_\_\_ AD 1888  
up to the \_\_\_\_\_ day of \_\_\_\_\_ AD 1888

With the knowledge and  
approbation of the said John. K.  
Craig an account was opened in  
the ledger for "Improvements" against  
which it was understood that  
I was to enter all moneys expended  
or liabilities incurred on account  
of improvements made on the Company's  
property and ranches. I am  
acquainted with the registered  
pasture and improvements - commonly  
known as New Oxbay and entered  
in the books various items for  
improvements thereon, as furnished

to me from time to time by said  
John R. Craig

I had no instructions from said  
John R. Craig to treat this  
property as distinct from any  
other property or ranches of the  
Company but on the contrary it  
was well understood that the  
various items for buildings and  
improvements thereon should be  
charged to the general account  
of 'Improvements' in the Company's  
books. <sup>The said property and improvements were</sup>  
<sup>generally treated in the books as the property of the Company.</sup>  
To the best of my knowledge and infor-

R. Craig in the Company's books,  
either as cash expended or

and I make this solemn declaration conscientiously

Sir,

In answer to yours to J. R. Burpee Esq. of the 1<sup>st</sup> Feb. letter No. 66080  
Ref. No. 70223. Mr. Burpee has re-  
quested that you would please state  
your letter to him was a great surprise  
as it appeared nothing but a letter  
of a solicitor was sent you & you  
require him to show cause  
at once. It seems to Mr. Burpee that  
when he has been his app'ts in  
proper form that a mere letter  
from a solicitor could be any ground  
to call on him to show cause

BLEECKER &amp; BOWN,

CALGARY, N. W. T.

It seems to us the affidavits filed  
 are much stronger than the statements  
 of any person no matter how reliable.  
 It strikes us the cause should be a <sup>188</sup>res  
 welion cause not make statement,  
 But in his letter he appears to say  
 that proceedings are about to be  
 taken to set aside ruling &c. Is it not  
 the better time to show cause when  
 these proceedings are taken and  
 we have to show cause twice, once  
 before proceedings are taken and  
 again when proceedings are  
 taken. The cause we show to Mr.  
 McCharters letter is that we are not  
 satisfied it may stand. The statements  
 in Mr. McCharters letter are entirely  
 untrue and we are ready  
 when the proceedings are taken  
 to

When I came to them in further manner  
the lawyer seemed to say that it  
seems as to conclude <sup>change</sup> that his statement  
be unimpaired merely because some  
minutes to you that is not quite right.  
and we are quite satisfied that  
the commission at Winnipeg would  
take no such position. You will  
probably have caused me to that?  
A lawyer's letter he has seen some other  
nothing like the 21<sup>st</sup> of July the date.  
Your letter was read by him. But  
there is much more to be said. But  
as has been to great expense being compelled  
to come to Calgary because of some reason,  
to wish you he has sworn falsely. We  
hope you will have the matter cleared  
up at once. If the matter is correct  
in his statement then we can get his clients rights  
in which he can get his clients rights.

We take also the ground that the  
 Commission cannot cancel the sub's  
 on Mr. McEwen's statement, in a letter after  
 conclusion has complied with the sub's  
 wishes of the act. in that he has f. in  
 their words that a lawyer's letter is <sup>not</sup> stronger

North West Territories } In the matter of the North  
Township } East quarter of Section 14  
of the Fourth Principal Meridian in the North  
West Territories

I Henry Stanley Pinhorn of the District of  
Alberta in the North West Territories Ranch  
Manager do solemnly declare. -

1. That on or about the 15th day of April  
A.D. 1885 I was instructed by the Osley Ranch  
(Limited) a Company carrying on business in  
the District of Alberta to investigate the affairs  
of the said Company and more particularly  
to enquire into the management of  
their agent and manager John A Craig,  
being authorized by power of attorney to act  
in all matters and things appertaining  
to their property and effects in and about  
their ranches and other property in said  
District - and in pursuance of such  
instructions I resided for some months in the  
summer of the year 1885 in the Company's  
ranches in Willow Creek.

2. The land in question was taken posses-  
sion of by said Osley Ranch (Limited)  
by said their agent and manager John A.  
Craig acting for and in their behalf ~~as~~  
~~in~~ <sup>on or about</sup> the month of October A.D. 1883 as  
I am informed and believe, and is in-  
cluded among lands ~~as~~ acquired by  
Alexander Stanley Still and George  
Baird respectively, both Directors of the  
said Company, and held by them for  
the purpose of and in trust for the said

Company, on the recommendation and advice of said John R Craig, as I am informed and believe.

3. The greater part of the land in question is included in a pasture enclosed by said Company, on the advice and recommendation of said John R. Craig, for the purposes of their business in the year 1884 as I am informed and believe, and further improvements were made by the said Company in the years 1883, 1884 and 1885 at a large expense consisting of house stable and outbuildings which were occupied by the said John R Craig for and as Manager of the said Valley Ranch (Limited).

4. The land in question and the said improvements were always treated by the Company, and to the best of my knowledge information and belief by said John R Craig as the property of the Company, and the said John R Craig never at any time although I had frequent conversation with him in regard to the affairs and property of the Company and his work over and examined his books of accounts, led me to suppose that he claimed or pretended to claim the land in question or any part thereof as his own, but on the contrary the said property and improvements and the moneys expended thereon were entered and treated in the accounts as other property of the Company.

5. The first intimation I had that the said John R. Craig intended to set up a claim to the land in question on his own behalf was when I learned that he had on or about the 1<sup>st</sup> day of August 1885 made entry for the same at the land office in Calgary, and I truly believe that such entry was made with the fraudulent design and intent of depriving the Company of the benefit of their said improvements.

6. In the months of July and August A.D. 1885 various differences arose between the said John R. Craig and myself as representing the said Company, and having become dissatisfied with the manner in which said Craig was conducting the affairs of the Company, on the 14<sup>th</sup> day of September 1885 I took over the management and control of the Company's affairs, and on the 14<sup>th</sup> day of September 1885 for good reasons I gave the said John R. Craig notice of his dismissal from his position as Manager.

7. In the month of October 1885 the said John R. Craig presented a statement of his accounts and expenditures to me and in passing such accounts claimed credit for certain expenditures on improvements on the land in question, as expenditures made in account of improvements for the Company and which were so passed and allowed by me in said accounts.

I am informed and believe that the entry for said land made by said John R. Craig was so made without the knowledge or consent of the said Company, Alexander Stovelley Hill, George Baird, or any or either of them and that the said John R. Craig in giving the consent of the lessee to such entry on his own behalf was acting fraudulently and in bad faith.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the "Oath respecting Extra-judicial Oaths" -

I telegraphed you in a note as we got a notice from your office that the above household would be cancelled in 30 days. Now it was impossible to get reply & affidavits in such time. I waited for 60 days. In such an important matter surely we did not ask too much. It seems the delay & we have a personal quarrel with Mr. Craig & talk this summary proceeding (or second thought) to set Mr. Craig homeless & homeless. They have filed some five (5) complaints here and evidently intended to go law & such was their notice to your office but I am after and your office told them there was no need of law & your commission could settle the matter much sooner. but my judgment in the affidavits  
I think would not be satisfactory to either

I, John R. Craig of the District of  
Alberta in the Northwest Territories  
of Canada, Rancher, do solemnly declare  
and say:-

1. That I have read the declaration  
of William Black and of Charles Courville  
McGowan, herein respectively on the  
seventeenth day of February and the thir-  
teenth day of January last past.
2. That said William Black was  
the book keeper for the Oxley Ranch  
Company as stated therein and I believe  
he opened an account therein for im-  
provements as I made return to him  
of all monies received by me and ex-  
pended on behalf of the Company.
3. That the books of the said com-  
pany I believe are now in the posses-  
sion of said William Black & said  
McGowan and I have not seen them  
for some time but the statement made

he said Black that he was acquainted with enclosed picture and improvements commonly known as New Oxley and entered in the books various items for improvements herein is entirely misleading.

4. The premises I claim as home stead to my knowledge have never been known as New Oxley. New Oxley was the building used by the Company for their own use. The New Oxley Post Office was at my house but my home was never known to my knowledge as New Oxley. And the declaration of said Black may refer to improvements heretofore chargeable to the Company as made on their own lands but I cannot say from this declaration what he means and I feel satisfied that he cannot show nor can any one else show from the Company's Books the monies expended on the house stables and other improvements made on the lands in dispute herein. And I am ready when the declaration of said Black is made as to what improvements he refers to to meet this declaration.

5. That it is utterly impossible that Mr. Black or any one else should know or have any idea what expenditures I have made on the premises in

✓

question in this matter but myself?

6. That I am satisfied that the declaration of said Black was purposely drawn to mislead this commission, as I cannot find that in his declaration he shows Harone dollar expended on the premises in question which I claim as mine was charged up to the Oxley Ranch Company

7. That in the year 1882 I was engaged by Steven Rice, Ford Patton and George Baird all farmers in the ranching business as their manager in the Northwest Territories of Canada and in August 1882 I came to the said Northwest Territories and selected certain places for the said business to go into the ranching business and in October of said year selected the points on which to erect buildings for their ranching interests and the Rancho was to be known as the Oxley Rancho

8. After selecting the sites for the buildings of the partnership and on about the 11th day of October 1882 I arranged with said Rice that I should bring my family to the Northwest Territories, which matter had not been arranged for in my written agreement with them.

Mr. Rice agreed with me

✓

in order to induce me to bring my family to the Northwest Territories, that he and his partners would build for me a residence and necessary buildings. This agreement was made with Mr. Rice to induce me to bring my family to the Northwest as he stated to me in consideration of the sacrifice they would have to make in living in an isolated part of the country without any of the advantages of society and otherwise and of the necessary expense that would be entailed on me in supplying accommodation and food to parties visiting the Rancho and doing business with the Rancho and of the increased confidence they would have in my management of the Oxley Rancho by my having my family with me

10.

On the 13<sup>th</sup> day of October of the same year I and Mr. Rice in company with our foreman Mr. Harry Gottingham selected a piece, not on the land proposed as a lease for the Company, but on land not taken up by lease holder or settler and on land which was afterwards granted the St. Clair Rancho Company in the latter end of the year 1884 or the beginning of 1885 and which land was I am informed transferred

✓  
 by said Company to George Baird for and on behalf of the Ooley Rancho Company in March 1885 and the Government acknowledged same in September 1886

11. At the time of the selection of the location of my present homestead Mr. Veile stated to me in the presence of my said foreman Harry Nottingham that as the land was not on the Company's land I would have to homestead, which I did. The said Mr. Veile knew I was taking this said land as a homestead and consented to same as it was near the proposed buildings of the company and would be handy to their place of business and I have hereto attached a copy of a letter from S. White who was acting then on behalf of the St. Clair Ranching Company

12. That on such understanding and agreement I went on and erected buildings on said homestead and used the partnership funds to a certain extent in erecting same or parts of same according to agreement with said Veile. But the major portion of the improvements I made were made with money out of my own pocket as I did not deem it right to make as large improvements as

I desired out of the company funds; but only such as would be necessary. I also incurred expenses on behalf of the said partnership in supplying accommodation and board to persons visiting said Rancho on business or with consent and approval of said partnership to about as much as was expended in company funds on such buildings. I went to large expense in fitting the premises beyond what was charged company as I was fixing premises for my future home in the Northwest irrespective of and not in connection with said firm or company for which I was managing. As I was liable to dismissal from the said firm or company on three months notice at any time, and I desired to have a home in case of such dismissal, and unless I had such a home it could not have paid me to bring my wife and family to the Northwest. If I had been dismissed at any time at end of three months my salary would not have paid for expenses of bringing them up to the Northwest. And my only idea in bringing them up was to establish a home for them and me and as agreed that I should in order that the

company might have a person interested in their affairs being permanently established in the country.

13. The fourth fifth and sixth clauses of the said declaration of said McBaul are untrue and he is not in a position to know any of the facts he swears to in such clauses of said declaration, but on the contrary knows his assertions therein to be false as in the month of May in the year 1888 there were executions in the sheriff's hands against the Oxley Ranch (limited) which company was formed I believe of the partners with whom I engaged and their wives although no change was made in my position after such formation and I took the advice of said McBaul who was then my solicitor as well as the solicitor of the Rancho Company engaged by me and he advised me they could not in any way touch the property in question as it was my own and company had nothing to do with it.

14. I further state that the said McBaul is a bitter personal enemy of mine for reasons unknown to me and has been such for some time

✓

5111

And I state that I believe that it was largely through his treachery and falseness to me that I was dismissed from said company's service.

15. In clause seven of the affidavit of such McCabe he does not state that my entry on such homestead was made before I had any disagreement with the said Company and at a time I and the said McCabe apparently were on the best of terms, as is the fact. To the first knowledge I had of any disagreement with the Company was on the fourth of September 1885 as I was on the most friendly terms with the managing director W. Stavein. Will as his correspondence will prove

16. That I made annual returns to the General Manager of said Company in England of the property in the Northwest and in such returns the improvements and buildings on my homestead were never included, although such manager knew well of such buildings on my homestead having visited me several times at my present home.

17. That I utterly deny the imputations of any fraudulent design in making such homestead entry

✓

51614

as imputed to me in 7<sup>th</sup> clause of  
said McLean's declaration on his  
information and belief; but say that  
I honestly made the improvements  
and entered for said land as my own  
homestead and that taking into ~~as~~  
consideration the money I have dis-  
bursed for said Company at my  
home there is not one dollar of  
the company's money in the improve-  
ments on my said homestead.

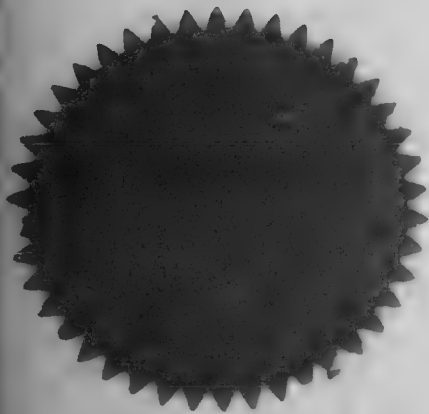

And I make this solemn declar-  
ation conscientiously believing the  
same to be true and by virtue of  
the "Act Respecting Extra-Judicial  
Oaths"

Declared before me at  
Calgary in the Northwest

Dear Sir,

Re N E 1/4 sec. 14. Twp. 13 R 28  
N 11<sup>th</sup> 12<sup>th</sup> m. John W. B. rang

We enclose affidavits in reply in a letter  
we have sent to Ontario for the declaration  
of Nottingham referred to in Craig's declaration  
and may be delayed some time in getting  
out. Mr. Black's affidavit, really amounts  
to nothing all he says is in the 2<sup>nd</sup> paragraph  
if he refers to the order. he says 3  
it was entered in the books for  
units thereon. Mr. Craig's affidavit explains  
what happens but Mr. Black does  
not pretend to say what he  
knew was true from co. funds.  
He says this and he  
and means of knowledge and does  
not he get such knowledge

and thereby fully contradicts himself and also  
 the facts show he is a better example of a lawyer  
 than I think this ought to be the matter. We  
 cannot help saying again that the course  
 taken in this matter has cost great expense  
 on the part of the company and he has not any chance of being  
 successful. In the letter filed in the case  
 we sent apparently to go to law & filed against  
 him as you are aware. Why not let him go to  
 law? We hope that the cost of a solicitor and  
 not again endanger thousands of dollars worth  
 of property and cause a man to incur ex-  
 pense as the company has been put to. If  
 Mr. Black had charged up the whole price as  
 paid by the Co that is nothing of all this con-  
 sidered to the matter & the firm's interest. We are  
 fully prepared to meet the matter in a court  
 of law but we object to a case of such  
 importance being tried on a few scattering  
 affidavits and regret you have put the company to  
 the expense & trouble of putting in a reply when  
 these men had full remedy at law if they were  
 aggrieved & if they had no grievance they would be puni-  
 shing themselves.

Dear Mr. Smith.

I have been informed that  
on 21st Feb. 1887 that some  
under no notice to-day  
and understand from  
it that you suppose  
taking steps to set aside  
the Camp Patent. That  
is the Government or  
even to accept renewal  
here in the matter?

H. H. Smith is  
Commissioner of  
Dominion Land.  
Ottawa, 2 April 1887.

I discussed this point  
with the Minister at  
the time his consent  
was obtained to submit  
the portion decided  
upon, in Ref 13343 and  
he stated that was  
a matter which the  
Courts should decide  
and one we had nothing  
to do with. I think  
that although we  
might withhold the  
issue of patent for  
the present I would  
not think it advisable

To

2  
to detain it longer  
than required to come  
to a decision in the  
court in that matter  
and if the Bench to  
be advisory for decision  
it might have been I  
think obtained & this

that you may under-  
stand the position  
in this - must state -  
at the time we were  
settled thereon and  
until the 31<sup>st</sup> day of  
December 1884. That  
portion of 14 square feet  
and north of Willow  
 creek

Creek was not included  
in any lease.

It had been assigned  
by Order in Council  
to what was known  
as the St. Lawrence  
Company but the lease  
was not executed until  
that date and from  
the letter from Mr. So-  
white to Mr. John  
copy of which is on  
file, he would see  
assumed that they  
had the right to  
homestead and pre-  
empt within his  
lease

3  
lease not the Arley  
Ranche Co. It is on that  
portion lying north  
and east of Willow  
Creek that new land  
of much improvement  
are located, and this  
is a matter I take  
between Arley and  
the Arley Rancho Com-  
pany. I may be that  
improvements were  
made by said Rancho  
Co. and will it not be  
advisable to let them  
fight it out among  
themselves I cannot

see

...  
see that we are called  
upon to mediate in  
their disputes.

Mr McCane has  
discussed the matter  
with me several times,  
however only subse-  
quent to my obtain-  
ing entry but even  
if he had called  
my attention to the  
matter before my  
obtained entry and  
Craig came forward  
and took the ordinary  
homestead affidavit-  
I do not see that the  
report

agent could have re-  
 fused him entry  
 entry having once  
 been granted and  
 receipt given so long  
 as he is compliant  
 with the homestead  
 requirements as to  
 residence and cul-  
 tivation. - do not see  
 how he can be can-  
 celled except by a  
 process of law if he  
 obtained his entry  
 lawfully as I  
 understand the  
 Dominion Land Act

it is only through the  
courts that that can  
be set aside and I  
cannot see that it  
strengthens any in  
the best to issue the  
patent. However, at  
summing he obtained  
this fraudulent  
there any reason why  
a portion of section 3  
should not be sold him.  
I do not think the  
Department is called  
upon to decide whether  
a man is honest or  
dishonest - before that  
decide

decide whether he should  
or should not be sold  
a piece of land. In this  
case the Arising Ranch  
to assert-travel being  
never it is or can be  
brought before the  
court might have been  
in this should we not  
assume that innocent  
title is proved nullity.

There is no dispute  
between Arising & the  
Govt, it being  
not entitled to the  
land the Arising  
Ranch Co. is

But private opinion  
in this case and  
have heard it presented  
by both sides in that  
Arising is probably at  
much smaller expense

do solemnly declare, that the said claimant  
limited refused to pay for material used  
in improvements, and for work done on  
improvements on the property aforesaid  
giving as a reason, that the property was  
claimed by me as my homestead, and that  
I was the proper person to look to for  
payment being the owner of the place -

Such claims refused were refused by the manager  
H. J. Pinkham in September 1885. I therefore  
paid the claims, my application for patent  
was made one year after, viz. Sept. 1886.

The value of the improvements would  
have been largely destroyed by a large number  
made by me in the same place, and as  
such improvements were made, the claimant  
was not the owner, as claimed.

The claimant was made by me  
being a claimant, (see page 1 of the same)  
it being a claimant, and as such, the  
claimant at the time, to which was applied  
publicly to make his statement to me,  
paragraph 4, "in the case of my testimony"  
"information and being all improvements"  
"made in the said premises" &c.

To the above contents of the claimant

declined to see that no such statement  
as was suggested and understood to call  
for no money in connection.

The said William asked, I remember, what  
to me and others that we did not know  
who paid for all improvements in the  
property, that we had no means of receiving  
outside of his salary, as a bookkeeper, and  
at times for the property, and to not trade  
any more since during the time he was employed.

I John Rodenick being so voluntarily declare  
that the foregoing statements are true in substance  
and in fact and I make this solemn declaration  
conscientiously believing the same to be true and  
by virtue of the Act passed on the thirty seventh  
year of Her Majesty's reign, intituled, An Act for  
the suppression of involuntary and other judicial Oaths.

I further solemnly declare that I was  
unable to have these statements sworn to before  
a Notary public or Justice of the Peace without  
going to Port Macquarie a distance of 30 miles, that I  
would willingly go to Macquarie for the purpose of having  
the statement sworn to, but owing to the death of one  
of my children, whom we buried here on Monday last, I  
would have to leave my wife and children alone,  
who are broken down with grief. I will procure  
respectable witnesses to my signature.

do solemnly declare  
that in the years <sup>1883</sup> 1884 and 1885 I was  
employed from time to time by the  
Odey Ranch (Limited), principally  
as Teamster under the orders and  
directions of their Manager John R.  
Craig.

I am well acquainted with the  
property known as the Odey namely  
the enclosed pasture, house, stable,  
and other improvements now occupied  
by said John R. Craig.

In or about the year 1884 one Sam.  
Macdonald and the contract with the  
Odey Ranch (Ld), to drive timber and  
logs for purposes of said improvements.

A large quantity of logs and rails  
were driven down and banked on  
the Company's property at the Landing of  
Willow Creek about a mile below the  
land in question - These logs and  
rails were mainly used in fencing  
the said enclosed pasture and  
on the improvements before referred to  
at the Odey and also in making improvements  
on the property at the Landing.

While I was so employed no teamster  
and with the Company's horses and  
waggons by the direction of the  
said John R. Conig I hauled to and  
Orley to be used in said improvements  
on the land in question a large quantity  
of lumber and building material  
from Calgary, logs from Fork Creek,  
and lumber purchased by the  
Company from the North Western Lumber  
and Navigation Company from their  
mill at Fork Macleod, ~~the~~ <sup>in</sup> ~~fact~~  
part of which was used, to the best  
of my recollection and belief, in the  
erection of said house and stable.

The stable in question is  
mainly built of stone ~~all of~~  
quarried and hauled by men in  
the Company's employ, and with  
the Company's horses and waggons.

The enclosure referred to was made  
for and used by the said Company as  
a pasture for horses cattle bulls &c.  
from time to time during the years 1884  
and 1885.

And I make this solemn declaration

anxious lest the house occupied  
by him and his family should be

writs were against the personal

think I did tell said Craig  
that if the property were his  
private property it could not  
be seized in any case on any  
execution against the Company on

, on his representations to me that  
the Company had agreed with  
him that the property should be

the Company had no claim to  
the land in question, or to the

ascertained that such representations  
were untrue, and that no such

that the Company claimed that

Canada

In the matter of the North East-  
Quarter of Section Fourteen in  
Township Thirteen in Range Twenty  
Eight West of the Fourth Principal  
Meridian in the North West Territories

I Henry Stanley Pichorne of the  
District of Alberta Range Manager  
do solemnly declare.

1. That I have read a copy of  
the declaration made by Dan  
McDonald in this matter
2. Hereto annexed is a copy of  
the account of said McDonald,  
taken from the books of the Caley  
Ranch Company kept by said  
John. K. Craig, which shows that  
said McDonalds affidavit is  
untrue in stating that the work  
in question was done for said  
John. K. Craig, otherwise than as  
Manager for said Company, as  
both the driving and banking of  
the logs, the fencing, and wages  
are charged in the ordinary way  
to the Company.
- 3 That I have read a copy  
of the declaration of H. M. Collingham

FWH  
J.B.H.

made in this matter

4. That I believe the <sup>CO 1</sup> ~~deputy~~

{ ~~Cottingham~~ ~~(incorporated)~~ ~~Company~~ }  
has entirely failed  
in his affidavit to state the  
full facts of the case within  
his knowledge, and the full conver-  
sation had between Mr Hill and  
said Craig. That I am informed  
and believe that said Cottingham  
has refused to give his evidence  
in this matter on behalf of the  
Company, and that he knows  
and could prove material facts  
showing that the Company paid  
for the work and material used  
in constructing the buildings and  
improvements on the land in dispute  
and that said land and  
improvements were never intended  
nor made to be used other  
than as the Ranch Managers house  
of the Company whenever he might  
be.

5. That I have read a copy of  
the declaration of said John R.  
Craig made in this matter and  
more particularly clauses 9, 12 & 15.  
and after reading the same I am  
satisfied that the said John R.  
Craig has from the first taking

100  
100

possession of the land in defiance  
fully intended to defraud the  
Company out of their property.  
That the books of the Company  
were kept by said Craig, and  
through entries and particulars  
furnished by him to Wm Black  
and if they fail to show the  
expenditures made on said place  
in a full and ample manner, it is  
entirely due to said Craig's scheme  
to defraud the Company.

Feb. 11.

If it be true as said Craig  
declares, that he paid money out-  
of his pocket for a large part of  
the improvements he entirely fails  
to furnish any details and I  
am satisfied cannot do so.  
except possibly for expenditures  
made after he suspected and  
knew the Company were dissatisfied  
with him.

6. I further declare that the  
statement made in clause 15 of  
said Craig's affidavit in regard  
to said Craig making his entry  
before any trouble with the Company  
shows on its face to me, that the  
statement so made is for the  
purpose of misleading the Board,  
~~that said Craig does not state~~  
~~the facts~~ and I declare

Feb. 11.

that said Craig did know at the  
 time of making his entry for the  
 land in dispute, that trouble  
 was brewing between him and the  
 Company and that the Company  
 were dissatisfied with his management.  
 and in a letter written by said  
 Craig to the Directors of the Company  
 in London, while the said Craig was  
 there, which letter is now before  
 me and bears date in London  
 12<sup>th</sup> January 1886, he says amongst  
 other things "when Mr Pinborne"  
 "first came out to the Company's"  
 "property on the 29<sup>th</sup> of May 1885"  
 "-----" and it was not until"  
 "the month of July that Mr Pinborne"  
 "even hinted that he held any legal"  
 "authority from the Company?" one  
 "day however in that month when"  
 "some conflict of authority took"  
 "place between Mr Pinborne and"  
 "myself, Mr Pinborne half pulled"  
 "from his pocket a paper and showed"  
 "me what appeared to be a seal"  
 "and said "do you deny my authority"  
 "now" without stating what the"  
 "document was, I asked to be"  
 "permitted to look at the document"  
 "but this Mr Pinborne declined, and I"  
 "therefore said that under those circumstances"  
 "I could not recognize it" — The

July 21<sup>st</sup>

The  
the statement that there was conflict  
of authority in July 1885 is true  
and agrees with the statements made  
by me in my former affidavit filed  
herewith in clause 6 thereof. I am  
satisfied that said Craig's entry  
was made, in consequence of this  
trouble, on the 1<sup>st</sup> day of August  
1885 and in furtherance of his  
designs to defraud the Company.  
And I feel fully satisfied that  
the evidence herewith <sup>given</sup> made and  
cited will convince you that said  
Craig in this respect and in  
clause 15 of his affidavit has  
attempted intentionally to mislead  
this Honorable Board, and has  
testified falsely in regard thereto.  
7. The letter quoted from in the  
preceding paragraph is very  
voluminous and contains mostly  
matter foreign to this case, and  
for that reason only is not  
attached hereto, but can be furnished  
should the Board so desire -  
8. In paragraph 4 of said  
Craig's affidavit he says  
"the premises I claim as homestead  
to my knowledge have never  
been known as New Osley"  
to the best of my knowledge

Knowledge and belief the land in question is generally spoken of as "New Oakley" and the declaration of said Black I am satisfied refers thereto, and I am informed and believe the said Black refuses to make any further affidavit herein. In a letter of said Craig attached as an exhibit to the affidavit of R. Stanley Hill Esq filed herein, which letter bears date May 12<sup>th</sup> 1888 I am informed and believe, said Craig refers to the names of the Oakley property and speaks of the whole place being known as "New Oakley". This to a certain extent may be true, but the name so used in the affidavits filed herein refers to the place where said Craig resides, which fact I am satisfied the said Craig well knows, and is using every means in his power to mislead and confuse this Board and embarrass the Company in proving the facts in relation to this matter.

7. The House in dispute is built of logs and lumber the logs being cut and taken out of the Pucupine Hills and the lumber supplied by different parties, and the work in getting the logs out, and the lumber and hauling

and the work on the house and other improvements  
~~the~~ being done almost, if not entirely,  
 by men in the employ of, and paid by the  
 Company, as I have been informed  
 and believe, and as far as I can  
 make out from the books of the Company.

10. Attached hereto are copies of  
 the accounts of C. F. Stevens, John  
 Hyde, Chas Lowrie and Al Kuther-  
 ford, showing the work done by  
 them, taken from the Company's books,  
 and the items being charged in  
 the ordinary way to the Company,  
 and paid by the Company as other  
 accounts of the men. The affidavits  
 of C. F. Stevens filed herein to the  
 best of my knowledge information and  
 belief state the true facts in relation  
 to the buildings and improvements in  
 dispute. The account of John Hyde  
 shows besides other work the digging  
 of a well on the property in dispute  
 at a cost of \$42.00

In addition to the wages of men  
 the Company were at considerable  
 expense for board and lodgings for  
 them.

11. While it may be impossible that  
 any one could know what expenditures  
 said Craig may have made on said  
 premises, except himself as stated  
 in paragraph 5<sup>th</sup> of his affidavit, it  
 is possible and an easy matter for anyone

C. F. Stevens  
 1881

to see and find out from the books and from information that the Company, not Craig, made and paid for nearly all, if not the whole of the improvements, buildings, stables and work done up to the time that said Craig suspected that the Company were dissatisfied with him, and intended to dismiss him sooner or later.

12. Although the said premises were not completed the said Craig moved thereon in or about the month of October 1883. Upon an examination of the books of the Company I find that the Company kept a stopping place for travellers at the hearings on their lease, and that the said Craig received large sums of money from this place, paid in by travellers and persons stopping and this money was received by him during the time he claims to have been at expense personally for keeping them. And I do not believe said Craig ever accommodated persons coming to the Ranch, at his own expense, except (in very few cases) and his <sup>and family's</sup> own personal friends and not by the consent or approval of the Company.

J.W.S.

13. In regard to Section 16 of said Craig's affidavit, in which he says "the improvements" and buildings on my homestead "were never included in my annual returns" or words to that effect:

It may be possible that these buildings and improvements were lumped in with other improvements and do not show separately. But I declare that in the month of June or July, 1883- I was requested by the Managing Director in London to make a valuation of the Company's property in this Country and send to him. In pursuance

of such request - I <sup>with</sup> ~~got~~ said J. G.  
Craig ~~and went~~ <sup>went</sup> through the  
Company's property ~~with him~~.

Said Craig furnishing all the details and values. Among the items furnished by said Craig to me, and put down by me in his presence as Company assets is an item valued as "Ranch", "Stables", "pasture", & "corral" value "\$3000." - Attached

hereto is the list showing the details and values of the Company's property and on the back thereof the date when taken viz July 17/1885 which is the original list taken

Craig  
10000

by me in said Craig presence  
and at the place in dispute  
and through his information, and  
the same was approved by him.  
The item of \$3000. as mentioned  
herein refers to the premises  
now in dispute, being the place  
where said Craig then resided  
and now resides, and to some  
other.

And I make this <sup>solemn</sup> declaration  
conscientiously believing the same  
to be true and by virtue of the  
act respecting such judicial cases

Declared before me at  
MacLeod this 4<sup>th</sup> July  
A. D. 1887.

In the Matter of the North and  
Master John Smith, and  
James Smith, Plaintiffs  
Thereto, vs. the  
County of Lincoln

1 Alexander Barclay letter after the  
 Council and Minutes of Subsequent meetings  
 as follows

a purchase of the improvements and possessing rights of one Kunk, a settler on a large bottom known as the Jennings on Willow Creek with a view of taking possession of this bottom and establishing the home ranch. This settlement by Kunk was anterior to the date of leases and we bought two acre rights and I paid \$1300 for the same in 1892. Before leaving for England I marked out the site and planned the Manager's house at the upper end of the said bottom, being on the land in question in this matter, where the said John H. Craig should reside so long as he was the Manager of the Company, and I gave directions for the building of the same. In the meantime and during the winter of 1892 and 1893, and the greater part of the following summer the improvements and cabins bought from Kunk at the lower end of the bottom were occupied by the said John H. Craig and men in the Company's employ.

3. All said John H. Craig strongly advised the acquisition by us of the Leases known as the Cottonwood and El Clair Ranches. Leases Under date of May 23<sup>rd</sup> 1893 a copy of which letter is hereto attached marked "A" he wrote as follows: "I have our range about with the Timbers and have here our boundaries run. The eastern boundary is about three miles west of the Lake where many wild geese were. The lake you named Lake Henry and about 3 miles north of our southern boundary. The range is too far west, too near the mountains. Our eastern boundary is fully 16 miles west of the forks of Willow Creek, a part of Wright's land and the north portion of the Cottonwood is the best range, and I think they may be got for a

reasonable sum. In writing to J White there on  
10.6.83 I gave him my opinion of the Country in  
general and I think they may offer their lease. We  
must get a portion of the lease further east. Townships  
13 in ranges 23 and 29. I think you would instruct  
me to make any improvement in the Holey Lease for  
a home farm and Cowshed as there is no place suitable  
for Winter". In answer to this communication wrote  
to the said John W. Gray on the 31<sup>st</sup> June 1883 in  
agreement with the suggestion and authorizing him to  
put him of in communication with a view to the  
purchase of those Leases.

Later in the summer of 1883 my partner the Earl  
of Lathom and I visited the Winkles and in the month  
of August 1883 the said John W. Gray again called  
our attention to the necessity of acquiring additional  
lands for Winter feedings more particularly referring  
to the two Leases above mentioned in which suggestion  
we acquiesced. The contract for the purchase of the  
Collymore Lease was concluded between Henry Bell  
Jr and myself on behalf of the Company on  
October 28<sup>th</sup> 1883 and on December 18<sup>th</sup> 1883. A letter here  
attached and marked A. I then said John W.  
Gray wrote to me "I am greatly pleased you have  
the Collymore Lease it gives us command of such a  
range". In the month of October 1883 or thereabouts  
the Managers house and stable <sup>at market</sup> were built and on  
December 18<sup>th</sup> 1883 a letter here annexed the said John  
W. Gray wrote to me "When I return from Scotland  
I will take stock and an inventory of all our stock  
implements &c. We are putting up a stable of stone  
from the quarry it is quite as cheap as drawing timber  
and very much better. The stones set with very little  
labour" and January 27<sup>th</sup> 1884 the said John W. Gray

We have built a house of logs on the spot near where your father had cut down the cotton and during the fall the said John W. Craig moved into the same. The house and stables were erected in accordance with my orders as Managing Director of the Company and the whole of the costs and expenses were by the said John W. Craig duly charged against the Company in the accounts furnished by him from time to time and were paid for out of the moneys of the said Company. <sup>Like here attached and marked C</sup>

Q7 On the 16<sup>th</sup> November 1873, the said John W. Craig wrote to me among other matters in the words following: "The acquisition of the Lillingwood Lease of great importance and very valuable. I notice from the St. Clair Mine Co. is one of the best all round cattle places in the St. W. and on the St. Clair. And on 28<sup>th</sup> November 1873, I wrote to the said John W. Craig in the following words: "I have arranged the purchase of the Lillingwood and St. Clair Leases" and again on December 20<sup>th</sup> 1873, I knew that you will be glad to hear of our having acquired the St. Clair lease."

Q7 Copy of letter here attached marked C. Q7 On December 13<sup>th</sup> 1873, letter <sup>marked B</sup> ~~marked~~ commenced, the said John W. Craig wrote to me. "I really think we should have the St. Clair Range & if we are going to have a continually increasing band of cattle." I proceeded to negotiate the purchase and on 21<sup>st</sup> January 1874 the said John W. Craig wrote to me (copy of which letter is here attached marked B) I am very glad you got the St. Clair Lease. On 17<sup>th</sup> July 1874, he wrote to me (copy of his letter being here attached marked C).

"I have a letter from Sol. White, of P. P. Windsor,  
Ontario, Canada. P. Clair Lewis (I expect to have  
it so that you will get the assignment shortly)"

The assignment of the said Lewis was conducted  
on December 20th 1881, the second assignment to  
run from May 1st 1882 (in June 2nd 1882) the said  
John W. Craig wrote "I have you the transfer of the P.  
Clair Lewis" I enclose a copy of the location sent  
from the Department at Ottawa

Our improvements are on the P. Clair Lewis  
on the place indicated by the said John W. Craig the  
location of the house and improvements now  
claimed by him is marked "Atley Ranch" in  
his own handwriting

In a letter to me dated 12th May 1884 (a  
copy of which is herewith annexed marked "H") the  
said John W. Craig writes "The Post Office Department  
have changed the name as pitched for so that our  
Post Office is now called "New Atley" We have  
now "Atley Ranch" the first settlement "Atley Store"  
where I live, and "Atley Camp" where the new  
Camp is formed - should you approve of these  
names they will be known as such the whole  
place being called "New Atley"

In September 1884 I again visited the Ranch  
and lived during such visit on the house in  
question where I connected the Company of the  
Company with the said John W. Craig and no  
suggestion was either then or at any time made  
by the said John W. Craig as to any claim to the  
said house or improvements but on the contrary  
was always treated as Camp Company property" and  
I returned with the said John W. Craig a further extension  
and enlargement of the house so as to keep them in

stores required by the Company

I also directed the enclosure of a great part of the quarter section in question with other lands as a pasture and to incur the Company's improvements on the quarter section, all of which has since been carried out by the said John W. Craig for and at the cost of the Company as his employers

The said lands were taken possession of by the said John W. Craig acting for and on behalf of the said Company and the house, stables and other improvements thereon, as well as the fence enclosing the same with other lands were all erected at the proper costs, charges and expenses of said Company, and I further say that long before the said buildings were erected or completed the said Craig was well aware that the Company desired to acquire and were negotiating for the purchase of the D'Almeida lease as appears from the foregoing correspondence between said Craig and myself

I Alexander Stewart Hill and  
his Majesty's Counsel and Member of Parliament  
do hereby call and say as follows:

1. I am the founder of the Young Men's Society which has lately acquired the name of and is now called one of the New-England Canada Company of which last mentioned Company I am a member.

• The name of the said Meeting. Mr. George  
in relation with the Company as within say  
knowledge and as appears from the Minutes  
of the 1<sup>st</sup> and after my return from Canada of  
which I said I received a letter with the authority  
to take for my share the proportion of a person  
part of the said Mr. George who of the that  
time was not seen to me and of course. I  
myself did not stop here and I remember  
that he had a word of my intention to start a  
little Company of good friends as willing of  
money and his friends to take a share in the  
Capital of the Company and to end take the  
management. I had many a conversation with the  
said Mr. George and finding that he was well  
acquainted with the latter business I selected  
him to my late partners, the said of Nathan  
and Mr. George Board, but finding that Mr.

Craig had no means of his disposal and that  
was not let of his property to be sold to  
the company by putting any capital in payment  
and in order to manager to get to some way  
securely for the full discharge of the duties  
borne upon which he had upon the office of

the same was taken on the report of

are forwarded of Craig but in the name  
of the subject in which I am not in

In the Matter of The North East  
Quarter of Section Seven in Township  
Seven on Range Twenty eight West  
of the Fourth Principal Meridian  
in the North West Territories

I, Alexander Mackenzie Mill one of Her  
Majesty's Counsel and Member of Parliament  
do hereby certify and say

That I have read the Declaration made by  
John W. Craig in the Matter aforesaid to wit  
That I positively deny that I ever entered into  
any agreement with the said John W. Craig that  
I or my partner or any of us should act as  
brokers or building as a household for the said  
John W. Craig. And in my capacity of Managing  
the said John W. Craig to build a  
house and make a new household and  
planned the same with the said John W. Craig  
and marked out the site for the same on land  
adjoining the improvements purchased by a person  
on the 1st and directed the said John W. Craig  
to occupy the land and improve and to hold the  
same in fee for the Company and I have at any  
time expressed any such idea as that the property was  
to be the private property of said John W. Craig or to be  
shared by him as a household

I am however properly sitting and anxious that  
the said John W. Craig should have the opportunity to  
speak with me and that the points in question  
should be laid before me and discussed there but there  
was no agreement whatever that I should do so

between the property claimed by the said John W. Craig but on the contrary clearly understood that in occupation and possession of the same would be a Manager for and in behalf of the said Company and there being by the act of purchasing this improvement in case any difficulty should arise hereafter as to the Company's possession of the land in question that the said John W. Craig acted in the purchase by the Company of the lease known as the "Blue House" and upon the said John W. Craig went into actual occupation of the house and improvements he had commenced as to acquire a portion of the lease covering said ship. It is hereby said and it is well known that we are negotiating for the purchase of the same.

That the defendants made by the said John R. Tracy in the 10th paragraph of his affidavit an error between property properly claimed to instead to said John R. Tracy and the use of the Company, points to a certain extent but does not set any property made by him out of business, not claimed by him. That the said John R. Tracy was not so far as such as told me in answer of my question with the exception of the money paid to him and around of a check for the purchase of some money. That the materials are employed in fitting out and building material and in building the said buildings and improvements were in the employment of the Company and were then owned by the Company for the use they were doing. The same is claimed by the said John R. Tracy but a claim made in supplying accommodation and board & paying nothing the said lands in business were never included in any statement of accounts rendered to the Company and were

and make any agreement or arrangement, that any  
such expenses should be left against the Company  
expended by the Company in improvement, so as to give  
the said John R. Cray any claim, that he is entitled to  
set up in his said appeal and have no share in  
future. That with the exception of the over paid for  
any person who so agreed or returned.

That at the time the said John D. Craig made entry for the lands in the Dominion Lands Office the said entry included no lands originally located to the said State Land Company which bore the said John D. Craig was concerned with at the time when he made the entry but acquired on behalf of the Company for himself and in giving the Company consent to such entry the said John D. Craig was acting fraudulently and without the knowledge or consent of the said Company and in violation of his duty as an agent and trustee.

January 30<sup>th</sup> 1916

I beg to acknowledge the receipt of your letter of yesterday.

I deny that my letter to you of yesterday entirely ignores the position in which I stand to my late employers, the New Kitchens Limited as you allege. On the contrary, I say that you and the other Directors have apparently thought fit to entirely ignore my letter to you of the 12<sup>th</sup> inst. and the facts and explanations therein stated and given, and your letter of yesterday is a continuation of that policy.

As that is the course you have thought fit to pursue

Dear Sir,

I have just arrived here to  
be ready for the meeting of the Stock  
Raising and Cattle Commission. The Stock  
Raising are nearly all in.

The High River (Shimshu) are very much  
discouraged over the change in our  
district. The question will probably  
be opened up again tomorrow.

of find much opposition  
to our holding up to the  
Stock Raising, and get as  
much as we can. The head of  
the Cattle will suit us nearly  
as well. The advantage in getting  
a wide scope is in the Macleod.

I hear of several bands

Coming in. It is rumored that  
The National Company are preparing  
to bring in 4,000 to 6,000 more.

It has done about 1000, and several  
others in few cattle.

I got the horse buying  
started. He has 1845 mares to  
the 3 Stations. Goldfinder has  
25.

The crop is in all in a  
stand off. Coltingham came  
over from there yesterday. The grain  
is all up and looking well. We  
have very warm dry weather  
and rain. The boys are getting  
down the creek very well. They  
were as far as "Cane Stock" bottom  
yesterday. The water is getting low  
but the expected rains will raise it.

No news about the sheep  
contract. I have heard that it  
is divided between J. H. Baker &  
J. C. Patten of Trenton. There is

only snow. Will hear <sup>definitely</sup>  
next mail.

The grass is excellent better  
than this time last year.

I have just heard of  
him. I saw him who came in from  
L. D. Dwyer that Peter had started  
on the 10th. Round up.

What is being done about  
the St. Clair and Coltingham  
land? One horse ranch is on a  
portion of the St. Clair lease.

By next mail I will be  
able to report something about  
the round up. I hope we will  
be able to send a good report  
of number of calves. I counted  
30 spring calves. More to come.

I have the honor to be

Gentlemen.

Referring to your letter of the 2nd inst in  
the matter of the dispute between your client  
Mr John McCreary and the Dyley Ranch  
Company I am to inform you that  
within the past few days a very large  
volume of evidence has been submitted  
by the said company for the consideration  
of the Land Board.

Taking advantage of the presence in  
Winnipeg of both the Minister and the  
Deputy Minister of the Interior a con-

the 25th inst when all of the evidence  
was gone into ~~most~~ fully and after  
the most careful consideration it was  
decided that while action upon the

this effect has been made.

In a letter addressed to the Commr  
dated 2nd inst Mr McCreary complains  
that he had not received copies of the

To the Honorable Secy of the Interior

Sir,

I have the honor to acknowledge  
the receipt of your letter of the 11th inst.  
concerning the application of the  
Hudson's Bay Co. for the land  
under the name of the Hudson's Bay Co.  
for the land under the name of the Hudson's Bay Co.

The ground on which the application  
is made is situated in the Township of  
St. John's, and is bounded by the  
Hudson's Bay Co. on the north and east  
sides, and by the land of the Hudson's Bay Co.  
on the south and west sides.

In support of the application that  
the land is required for the land  
under the name of the Hudson's Bay Co.  
it is shown that the land is situated  
in the Township of St. John's, and is  
bounded by the Hudson's Bay Co. on the

the Hudson's Bay Co. on the south and

In the event of the Department

of it after the franchise has been

I am so much as to the true intent

The Queen in Council is thereby

The House of Lords is empowered

Re Oxley Rancho Vs. Craig.

Dear Sir:-

We enclose declaration of our Mr Archibald in this matter with Exhibits attached disclosing correspondence between Mr Solomon White and our Firm in reference to his assignment of the "St Clair" Lease to Mr Baird.

We have delayed sending this for a day or two as we have written to Mr White for copies of any correspondence he may have had with Mr Craig, which he alleged brought forth the letter which is now on record in your Department.

Township in question and that  
 their intentions were carried  
 into effect and the Rancho was  
 subsequently known as the  
 Oxyley Rancho Company. In the  
 month of March 1882 Mr John  
 Craig was engaged by Mr Stanley  
 Hill and his partners as man-  
 ager of the Rancho, and in Au-  
 gust of that year arrived in the  
 Territories and proceeded to se-  
 lect a place on which to start  
 the head quarters of the Rancho.  
 During the same month bought  
 the house and improvements to  
 of a squatter named Kammitz  
 living on Willow Creek in the  
 Township in question, the pur-  
 chase being ostensibly in Kammitz  
 name, but being in reality, as  
this

The evidence shows, made on behalf of the company and with their money. Shortly after this Mr. Stanley Hill joined Craig and they together selected a site, about a mile and a half from the cabin point and from Kentucky for the manager's house.

The site was marked out and the house planned by Mr. Hill before he left in November, and is situated in the quarter section in question, the N. E.  $\frac{1}{4}$  of Section 14, Township 13, Range 28 West of the 4<sup>th</sup> Meridian. During the winter of 1882-3 and the greater part of the following summer Craig lived in the County house. The erection of the manager's residence was begun in

July

July, 1883, and was completed about October of the same year.

From the plan annexed hereto it will be seen that the particular section in question is intersected by Willow Creek. By Order in Council of the 4<sup>th</sup> of October 1882, certain lands were authorized to be leased under the usual conditions to the St. Clair Ranch Company in which the portion of the N & 4 of Section 14, in question, lying to the North of Willow Creek was included and the lease issued to the Company on the 30<sup>th</sup> of December 1884.

This lease was assigned to Mr. Baird, one of the partners of the Oxley Ranch on the 24<sup>th</sup> of April 1885, and this assignment was registered

registered in the Department of the Interior in October 1886. It will therefore be seen that the quarter section in question was occupied and the buildings erected prior to the date of the lease to the St. Clair Ranch Company. The portion of the quarter section south of the creek was included in a lease to the Colbywood Ranch Company, dated the 21<sup>st</sup> of June, 1882, which lease was acquired by the Gray Ranch Company and the assignment registered in the Department of the Interior on the 15<sup>th</sup> of October, 1884. The township in which the land in dispute is situated was surveyed in 1883 and the

Survey

survey confirmed in March 1884.

In the summer of 1885 Craig had a disagreement with the company, which led to his dismissal in September following, and in August of that year, subsequent to the occurrence of his difficulty with the company, but prior to his actual dismissal, and while still acting as the manager of the company's business, he applied for and obtained from the agent of common lands at Fort Snelling a deed for the S. E. 1/4 of Section 14, Township 13 Range 28, west of the 4<sup>th</sup> meridian the land now in question. The cancellation of this entry is now asked for on the grounds that

the

The land entered for was at the  
 time of entry leased by the Oxy  
 Ranche Company, of which fact  
 it is clear that Loring was well  
 aware, having himself recom-  
 mended and to some extent  
 negotiated the acquisition of  
 the St. Clair and Colbywood  
 Ranche leases; and further  
 that the entry was obtained  
 by fraud, inasmuch as in  
 the affidavit in support of his  
 application for homestead en-  
 try, Loring stated that there was  
 no other person residing on  
 or having improvements on  
 the land for which entry  
 was asked, whereas the evi-  
 dence shows, as already re-  
 lated, that the house in which

he was living on the quarter-section in question and the other buildings in connection with it; were built by and at the expense of the Exley Ranch Company, and that Mr Leary was allowed the use of these buildings as Manager of the Company.

Moreover under the lease issued to the Hollingwood Ranch Company, it was necessary for any person applying for homestead entry in respect of any lands with this leasehold to obtain the consent of the lessees before he could properly receive such entry, and as this lease was issued to the Hollingwood Ranch Company

company before the quarter section in question was occupied, and such lease was acquired by the Oxley Rancho Company before being applied for entry, it was necessary for him to obtain the consent of the latter company.

This he failed to do, and the company state that such permission would not have been granted if asked for, as the entry is opposed to their interests.

In regard to the portion of the quarter-section north of the creek it has been shown that it was occupied by the Oxley Rancho Company prior to the issue of the lease to the St. Clair Rancho Company.

Mr

Mr. Craig states that he obtained the consent of Mr. Solomon White, one of the members of the St. Clair Ranch Company, to his making entry for this land; but if it be assumed that Craig's occupation of the land was made in his own behalf then there was no necessity for the consent of that company, as he was on the land prior to the issue of their lease. It however is apparent that the occupation of the land was in behalf of the Oxy Ranch and that Mr. Solomon White had no authority to give such permission to Craig, as it appears from White's letter to Craig filed by Craig in evidence, that it was given prior to the issue of the lease.

lease to the H. Blair Ranch.

It may be observed that the Agent of Dominion Lands granted Craig entry, assuming that being Manager of the Oxy Ranch he applied for entry with the knowledge and consent of the Company. It may also be pointed out that while the land was surveyed and a copy of the Township plan in the hands of the local Agent in 1884, Craig did not apply for entry until August 1885 and that after a disagreement with his Company, which terminated almost immediately afterwards in his dismissal from their service as already recited. A suit is now in progress

in

in the courts between Craig and the Oxyley Ranch Company, and it appears to the undersigned desirable that the parties to the suit should be placed on the footing they would respectively have occupied in regard to the land in question, had the entry to Craig not been granted.

For this reason and as it appears from the evidence that the homestead entry of John B. Craig for the N E 1/4 of Section 14, Township 13, Range 28 West of the 4<sup>th</sup> Meridian was obtained by a misrepresentation of the facts as to the cultivation and improvements then existing upon the land, the undersigned recommends

recommends that authority for the cancellation of such entry be granted by His Excellency the Governor General in Council, under the provisions of sub-clause (h) of clause 90 of the Dominion Lands Act: so that the land in question may revert to the Crown, and so that after the termination of the suit now in progress between Herby and the Oxyby Ranch Co. Company, it may be dealt with by the Commissioner of Dominion Lands as may be found to be in accordance with law on further investigation of the case.

Respectfully submitted

Minister of the Interior.

There appears to be little, if any doubt that the facts relied upon as constituting fraud on the part of Jones in obtaining his entry can be established viz: - that he took possession of and occupied the land in question as the manager of the Penner's Company, that the improvements and cultivation made by him were made, largely at all events, at the expense and in the interests of the company, and that he misrepresented these facts in his application for the entry.

Even if there were no doubt as to the facts or the Governor in Council to which an appeal was made it would be inadvisable to do so upon such evidence as is submitted in the various cases concerning matters of appeal and decisions on the statements in which have not been tested on the cross examination of the deponents and on the other means supported by reasons in open court.

I am to point out, however, that the facts in the case may be such as to warrant the conclusion

of the action on the Minister

called, Chapter 3, section

It is clear that the  
settlement duties of a

formed on his own account  
and that he cannot avoid

Dear Sir:-

Re Oxley v. Craig.

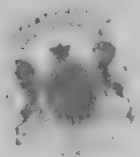

In this matter a letter book belonging to Mr Staveley Hill M.P. was put in evidence. We believe this letter book was forwarded by you to Ottawa. If such was the case, will you kindly have the same returned to Mr G.C. McCaul, Barrister, Lethbridge.

It was intended that we should put in copies of the letters from Mr Gill's letter book, but in the first instance the production of the originals was deemed more satisfactory.

Yours truly,

*Archibald Howell - Esq. to be used*

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. A dark, possibly black, binding edge is visible on the left side of the page. There is no text or other markings on the page.

The Minister of the Interior,

Sir,

In reference to the opinion of the Minister of Justice in regard to the application made by the Oxley Ranch for cancellation of the Homestead entry made by John B. Torrey in their lands we have the honor to inform you that the Company propose to test the question in the Courts, as suggested in the opinion referred to, with the consent of the Attorney General.

In order to frame and prosecute the action it is imperatively necessary that the Company's solicitor should be in possession of all the original letters,

letters, plans, accounts and other exhibits filed on their behalf. These were filed to enable the Board to judge of the merits of the declarations accompanying them, and having now served their purpose we respectfully submit that we are entitled to have the originals returned to us. We do not ask for the original declarations, but even under the strict rules of the Court in such cases, original exhibits filed in Court, are always considered the property of the party by whom they are filed, and are always returned to their owner on the conclusion of the case.

The Honorable Minister will readily understand the importance to our clients of having the originals in a matter of this nature, involving

The proof of fraud, and that the provisions of the D. L. Act in regard to "Certified copies" as evidence, do not overcome our difficulty.

In view of the opinion of the learned Minister of Justice that the fraud seems clearly established we presume that we are justified in expecting that the Department will allow no action to be taken to the prejudice of our clients in this matter without ample notice to us.

We shall be very much obliged if the Honorable Minister will give directions to have the original exhibits filed on behalf of the Ouley Branch removed from the files in the Department, and returned to us without delay. Should assistance be required in this matter we would

Memorandum:-

I beg to return the letter of the 30th ultimo, from Mr. H. C. Taylor, of Edmonton, stating that some years ago he was permitted to purchase the fractional S $\frac{1}{4}$  of Section 32, Township 51, Range 21, West 4th Meridian, lying West of Cocking Lake, and applying to purchase the fractional S.E. $\frac{1}{4}$  of the same Section, lying East of the Lake, and containing 30.5 acres.

The parcel applied for is not at the disposal of the Department, as it was decided in September last to grant to Mr. Robert Donald, the homesteader of the fractional N $\frac{1}{2}$  of the Section, lying North of the lake, 26.80 acres thereof, to make up the deficiency in his patented homestead, and to allow him to purchase the balance- 3.70 acres- at \$5.00 per acre.

Mr. Donald was so advised at Deville, Alberta, on the 30th ultimo.

Attached is a sketch showing coloured pink the parcel sold to Mr. Taylor; in red border the patented homestead of Robert Donald, and coloured brown the parcel applied for by Mr. Taylor, which is to be granted to Mr. Donald.

Please return file, in order that the other applicants for this parcel may be advised.
